

THE SMOGINATOR

SMOGINATOR STATS

Given name: The "SMOGinator"

Nickname: Smoggy

Birthplace: Planet NOVOC
(No Volatile Organic Compounds - that's what makes up smog)

Age: 300 in NOVOC years -
30 years old on planet Earth

Mission: He is here in the Miami Valley to help spread the word about clean air and encourage everyone to take "action" to improve our air quality

Education: The Ozone Observatory -
4-year degree in Environmental Management

Personal: Single - no time for a girlfriend until the Miami Valley's air is clean

Favorite color: Clear, sky blue

Favorite food: Fresh air popped popcorn

Dislikes: Un-tuned vehicles which don't have gasoline caps, vehicles idling for too long, fast drivers, gasoline-powered equipment being used before 6:00 p.m. on OZONE ACTION DAYS

Likes: Ridesharers, bus riders, walkers and bicyclists, people who refuel carefully and don't top off the tank, people who combine all their errands into one trip
