

**Access Ohio 2045 Public Meeting • October 24 in Dayton**

*Join the Conversation About Ohio's Future Transportation System*

There will be a public meeting to share with residents and other interested stakeholders details on the Ohio Department of Transportation's update to Ohio's long-range transportation plan, called Access Ohio 2045.

Please attend on **Thursday, October 24 from 4-7pm** at **Miami Valley Regional Planning Commission (MVRPC)** – 10 North Ludlow St. Suite 700, Dayton, Ohio 45402. The meeting is an open house format with presentations at 4:30 and 6pm.

Give feedback on proposed strategies and learn about how Ohio might look in 25 years.

This is ODOT's second round of public outreach as part of the Access Ohio 2045 update. The strategies to be presented at the meeting were informed by feedback that ODOT received from residents in the spring of 2018.
