

CY2022 STP, CMAQ, TA and CR Projects Unable to Fund

Project Sponsor	Project Name	Project Location	Project Description	Federal Funds Requested
City of Centerville	Centerville Station Road Improvements, Phase 2	Centerville Station Road from Braewood Trail to 600' east of Park East Court.	Create a middle turn lane, widen existing lanes, improve vertical sight distance and install a multi-use path that will connect to the greater trail network, local neighborhoods and several parks.	\$2,280,456
City of Centerville	Main Street Uptown Improvements	SR 48 from Franklin Street to Ridgeway Drive and Ridgeway Drive from SR 48 to Lyons Drive.	Widen SR 48 to a five lane section on both ends of the Ridgeway Drive intersection. The Ridgeway Drive intersection with SR 48 will be reconstructed and realigned to include ADA compliant curb ramps, crosswalks and a traffic signal that is coordinated with others in the area. Improvements to the intersection of SR 48 and Franklin Street (addressing curb radii and an ADA compliance pinch point on the east side of the intersection) will be included.	\$2,443,805
City of Clayton	Haber Road Intersection Improvements	Intersection of US 40 and Haber Road.	Installation of a traffic signal, pedestrian facilities and a right turn lane. The project will provide connectivity to the Old National Road Trail for pedestrians and cyclists as well.	\$607,547
City of Englewood	Hoke Road Resurfacing	Hoke Road from SR 49 north to the Englewood north corporation limit, excluding the I-70 bridge deck.	Resurfacing consisting of 2" mill and fill.	\$302,716
City of Germantown	Plum Street and Farmersville-Germantown Pike Resurfacing	Plum Street and Farmersville-Germantown Pike from West Market Street to Scott Court in Germantown.	Mill 2" of the existing asphalt surface and overlay with 2" of asphalt surface course. Restripe pavement with Thermoplastic pavement markings.	\$338,913
City of Kettering	Bigger Road Reconstruction	Bigger Road from David Road to Wilmington Pike	Reconstruction of the roadway to correct the vertical alignment, add curbs and street lights, and add off-road facilities for pedestrians and bicyclists.	\$1,201,364
City of Trotwood	Wolf Creek Pike Resurfacing	Wolf Creek Pike from Snyder Road to Nolan Road.	Roadway resurfacing.	\$504,208
Greene County Engineer	Dayton Xenia Road Resurfacing Project	Dayton Xenia Road from Forest Drive to the Xenia west corporation limit.	Resurfacing consisting of 2" mill and fill.	\$1,181,443
