

# CY2022 Recommended Transportation Alternatives (TA) Projects

Project Sponsor	Project Name	Project Location	Project Description	Total Project Cost	Federal Funds Requested	Federal Funds Recommnd.
City of Dayton	East Third Street Enhancements	East Third Street from Keowee Street to Linden Avenue.	Roadway narrowing from five and four lanes to three lanes. As part of the narrowing the following features will be added: bike lanes, widened sidewalks, defined parking, bump outs and decorative amenities at crosswalks and along the corridor.	\$1,348,980	\$987,225	\$987,225
City of Dayton	Edwin C. Moses Boulevard Road Diet	Edwin C. Moses Boulevard from West Third Street to Salem Avenue.	This project will perform a road diet to reduce the existing lanes from four/five to three/two lanes with parking. The reconstructed street will include pedestrian amenities, according to the complete street policy, updated utilities, traffic signal upgrades, resurfacing, and new sidewalk and curb ramps. This project will also add a new alignment to West Riverview Avenue to Edwin C. Moses Boulevard.	\$853,186	\$618,717	\$618,717
City of Dayton	Main Street/Third Street Pedestrian Improvements, Phase 1	Main Street in Dayton from Second Street to Fourth Street and Third Street from Ludlow Street to Jefferson Street.	Replace brick pavers with sidewalk. This replacement will update the uneven bricks with a smooth walkway. The updates include new sidewalks, curb, landscaping and pedestrian amenities.	\$1,312,391	\$990,692	\$990,692
City of Germantown	Covered Bridge Restoration Project	Covered bridge in Germantown over Little Twin Creek on East Center Street.	Restoration of historic covered bridge to its original design for use by pedestrians and bicyclists.	\$602,400	\$406,720	\$406,720
Miami Conservancy District	Stillwater Trail Resurfacing	Left bank of the Stillwater River from Gayle B. Price bridge to Wegerzyn Road.	Milling and resurfacing of the existing asphalt, full depth pavement repairs, installation of amenities (swings, benches, trash cans, and dog waste stations), installation of native prairie planting, and installation of historical and cultural signage.	\$979,499	\$629,109	\$629,109
