The Miami Valley Regional Planning Commission Technical Advisory Committee met on September 17, 2026 at 9:30 a.m. at Dayton Realtors, 1515 S. Main Street, Dayton, OH 45409. All members and news media were notified of the meeting pursuant to the Ohio Sunshine Law.

I. INTRODUCTION

Chairperson Goff called the meeting to order at 9:30 a.m. Self-introductions were made.

II. APPROVAL OF AUGUST 20, 2026 MEETING MINUTES

Mr. Andy Shahan made a motion to approve the meeting minutes. Mr. Paul Huelskamp seconded the motion. The motion passed unanimously.

III. Public Comment Period on Action Items

None

IV. MPO (METROPOLITAN PLANNING ORGANIZATION) ACTION ITEMS

A. Resolution 26-29: Recommended Adoption of Revision #13 to MVRPC's SFY 2026-2029 Transportation Improvement Program (TIP)

Mr. Paul Arnold stated that over the last few months MVRPC, ODOT and Greene CATS have made numerous changes to the programming documents for various projects resulting in the need for a SFY2026-SFY2029 TIP revision. The attached TIP tables reflected the updated information for each specific project & funding sources. Modifications to Statewide Line-Item projects were shown & a TIP terminology explanation chart of key abbreviations used in the highway/bikeway tables. A resolution adopting the proposed TIP revision was attached for review and consideration. The MVRPC staff recommends approval. CR funding no longer included, STP funds will cover existing CR project commitments.

Mr. Arnold opened the floor for comment, no comments.

Mr. Nick Smith made a motion to recommend forwarding to the Board of Directors for adoption. Ms. Jillian Rhoades seconded the motion. The motion passed unanimously.

V. INFORMATION ITEMS

A. FY 2028 Dayton Development Coalition's Priority Development and Advocacy Committee (PDAC)

Mr. Brad Daniel stated that MVRPC is working with other organizations throughout the Miami Valley to identify projects that may be eligible for federal and state funding; solicitation for new projects started on September 14th. MVRPC is the lead agency for reviewing the Transportation and Government Services projects. Transportation projects include surface, air, rail, transit and bike/pedestrian transportation-related projects. Government Services projects include criminal justice, first responders, community and neighborhood infrastructure, and K-12 educational projects. Mr. Daniel reviewed the

proposed project priority process timeline. The deadline for project submissions is November 23, 2026.

Mr. Daniel opened the floor for discussion. Ms. Goff inquired about water & sewer projects. Mr. Daniel directed applicants to the Transportation & Finance section link to an online questionnaire through the Dayton Development Coalition.

B. Long Term Disaster Recovery Story Map

Ms. Elizabeth Baxter & Ms. Rebecca Carr presented the Story Map platform, documenting the impact of the 2019 Memorial Day tornadoes that hit the Miami Valley; severely affecting the City of Trotwood and Harrison Township. This platform showcases the tools and resources for successful regional resiliency planning & recovery. Ms. Baxter thanked everyone for allowing them to showcase the tools and support National Disaster Preparedness Month.

Ms. Baxter opened the floor for questions or comments, none posed, she then introduced Ms. Stephanie Kellum of the City of Trotwood. Mr. Martin commented that Ms. Baxter was recently at a conference in Nashville, Tennessee speaking about disaster preparedness and resiliency, helping them with their flooding issues. This is now a national model, what we built here from scratch; our board took this on to make sure that our community was supported.

C. Housing Resilience: From Devastation to Recovery

Ms. Stephanie Kellum of the City of Trotwood thanked Mr. Brian O. Martin & the MVRPC for all of their help & for the opportunity to present. Ms. Kellum showcased her community's story of resilience, emergency response & recovery, following the devastation of the 2019 Memorial Day tornadoes. Ms. Kellum mentioned that 687 structures were completely destroyed & rebuilt, only 5 demolitions took place; 1,106 total properties were impacted by the tornadoes. Miraculously, there was no loss of life. Ms. Kellum said that because of prior training and planning, the City of Trotwood opened their emergency operation center within 1 hour of the tornadoes striking their community, getting a head start on recovery. Trotwood's approach was deliberate: volunteers were directed where they could make the greatest impact without creating new problems. The response from local leadership and partnerships with regional organizations made recovery possible.

Ms. Kellum opened the floor for comments or questions. Mr. Hankins commented.

VI. EXECUTIVE DIRECTOR'S REPORT

Mr. Brian O. Martin reviewed the [Executive Director's Report for September 2026](#)

- Mr. Martin greeted and thanked everyone for attending the meeting.
- MVRPC's Elizabeth Baxter showcased the agency's Regional Resiliency Guidebook & Toolkit at the Greater Nashville Regional Council (GNRC) Peer Exchange.
- September is National Disaster Preparedness Month

- Miami Valley Urban League Released “The State of Black Dayton: Resilience and Renewal Charting the Future for Black Dayton”
 - Mr. Martin and Mr. Fabrice Juin of MVRPC contributed articles for the report about our region.
- MVRPC completed GIS data mapping for several member projects
- Grants and funding opportunities, including the Low or No Emission program & NAWCA 2027-1 US Standard Grants.
- Sept 30th-Oct 2nd OKI 26 Healthy Planners for Healthy Places conference

VII. ADJOURNMENT

Chairperson Stephanie Goff adjourned the meeting at 10:35 a.m.

MEMORANDUM

To: Technical Advisory Committee, Board of Directors
From: MVRPC Staff
Date: October 6, 2026
Subject: SFY2026-SFY2029 Transportation Improvement Program (TIP) Revision #14

Over the last few months MVRPC, ODOT, Greene CATS and GDRTA have made numerous changes to the programming documents for various projects resulting in the need for a SFY2026-SFY2029 TIP revision. The attached TIP Tables 4.1, 4.2, 4.3, 5.1 and 5.3 reflect the updated information for each specific project. Modifications to Statewide Line Item projects are shown on Table 4.6 and are provided for information only. A TIP terminology explanation chart of key abbreviations used in the highway/bikeway tables precedes Table 4.1. A resolution adopting the proposed TIP revision is attached for your review and consideration. The MVRPC staff recommends your approval.

Attachments:

- (1) TIP Abbreviation Table
- (2) Amended MVRPC TIP tables: 4.1, 4.2, 4.3, 5.1 and 5.3
- (3) Statewide Line Item Project table 4.6 (For information only)
- (4) Resolution Adopting Revisions to the SFY2026-2029 TIP

EXPLANATION OF ABBREVIATIONS USED IN TABLES 4.1 – 4.8

Project I.D. #

First Three Characters
 000 = Unique Project Number
 Decimal Character = Subtype (as described below)
 .1 = New Construction
 .2 = Reconstruction
 .3 = Resurface
 .4 = Safety Improvement
 .5 = Bridge Replacement/Rehabilitation
 .6 = Signal Improvement
 .7 = Bikeway/Pedestrian Improvement
 .8 = Other Improvements

PID #

ODOT "Project Identification Number"

Air Quality Status

Identifies projects which were included
 in the LRTP air quality conformity analysis
 Upper Row = Project is Exempt or was Analyzed
 Lower Row = Build Year Scenario (2020, 2030 or 2040)

Phase of Work

ENG -Environmental and Contract Plan Preparation
 ROW -Right-of-Way Acquisition
 CON -Construction
 SPR -Federal State Planning and Research
 DBT -Debt Service

LRTP Goal

G1 -Address regional transp. needs through improved planning
 G2-1 -Encourage a stronger multi-modal network in the Region
 G2-2 -Maintain the regional transportation system
 G2-3 -Upgrade the regional transportation system
 G2-4 -Incorporate regional land use strategies
 G3 -Enhance attractiveness for future economic development
 G4 -Encourage pursuit of alternative fuels to reduce emissions

FUND CODES, DESCRIPTION AND TYPICAL FUNDING SPLIT

Federal Allocation of ODOT or County Engineer Association Controlled Funds

	Typical Fed./Local Share

RESOLUTION 26-30
REVISING THE SFY2026-SFY2029 TRANSPORTATION IMPROVEMENT PROGRAM

WHEREAS, the Miami Valley Regional Planning Commission is designated as the Metropolitan Planning Organization (MPO) by the Governor acting through the Ohio Department of Transportation in cooperation with locally elected officials for Greene, Miami and Montgomery Counties including the jurisdictions of Carlisle, Franklin, Springboro and Franklin Township in Warren County; and

WHEREAS, the MVRPC's Board of Directors serves as the policy and decision making body through which local governments guide the MPO's transportation planning process for the Dayton Metropolitan Area; and

WHEREAS, all Federally funded transit and highway improvements within Greene, Miami and Montgomery County must be included in the region's Transportation Improvement Program (TIP) prior to the expenditure of Federal funds; and

WHEREAS, the SFY2026-SFY2029 Transportation Improvement Program was adopted on May 1, 2025; and

WHEREAS, MVRPC, ODOT, Greene CATS and GDRTA have made numerous changes to the programming documents for various projects resulting in the need for a SFY2026-SFY2029 TIP revision; and

WHEREAS, the proposed revision is consistent with the Region's long-range transportation plan; and

WHEREAS, this TIP revision is consistent with the regional air quality emission analysis of the SFY2026-SFY2029 TIP; and

WHEREAS, the MVRPC Public Participation Policy for Transportation Planning process allows for minor TIP revisions such as this to occur without separate public involvement meetings; and

WHEREAS, this revision will result in a TIP that is in reasonable fiscal constraint

NOW THEREFORE BE IT RESOLVED, that the MPO members of the Board of Directors of the Miami Valley Regional Planning Commission hereby adopt **Revision #14** to the SFY2026-SFY2029 Transportation Improvement Program as shown on the attached TIP Tables.

BY ACTION OF THE MPO members of the Miami Valley Regional Planning Commission's Board of Directors.

MVRPC is a Census Affiliate Organization. As such, we provide assistance to U.S. Census Bureau's various programs and maintain Census data for the Region dating from the most recent releases back to 1950. Please contact Elizabeth Whitaker, Senior Planner at 937.223.6323, if you have any Census-related questions, from requests for specific data to help navigating the Census website.

2020 CENSUS

The U.S. Census Bureau is continuing their work on the 2020 Census. Following the enumeration phase, information will be processed to deliver apportionment counts and redistricting data. Due to operational disruptions resulting from the COVID-19 pandemic, the timeline for delivery of 2020 Census data is fluid. For the latest information on the 2020 Census, please visit MVRPC's [2020 Census Resource Page](#).

CENSUS REGIONAL PROFILE

MVRPC staff, using data from the 2010 Census, has put together a [Regional Profile of the Miami Valley](#), along with some basic data for all jurisdictions in the region and individual profile sheets for eight counties.

The Census Bureau's American Community Survey (ACS) is an ongoing survey which provides data every year about things like income, education, veteran status, and transportation. MVRPC staff has put together a [Regional Profile](#) using data from the American Community Survey (ACS) 5-year estimates. Please visit the [ACS introduction](#) page before accessing the American Community Survey Regional Profile.

The Census Bureau, in partnership with other federal and state agencies, produces [Longitudinal Employer-Household Dynamics](#) data on employment and where employees live. MVRPC has used this data to prepare a regional profile of employment in the Miami Valley.

MVRPC'S D-HIVE

Welcome to the D-Hive

MVRPC's D-Hive is a new data management & visualization system that takes advantage of a hexagonal cell pattern to integrate and combine different layers of regional geographic information. This system stores and displays layers that we have used before as well as creating new layers that reveal new insights about our region. Hexagons are an increasingly popular way to normalize geography, depict connectivity and movement, and add privacy by obscuring source data.

We have integrated GIS layers using the same categories as our open data into our hex network - stay tuned for more!

Click the button below to explore The D-Hive through GIS Open Data.

Geographic Information Systems (GIS)

At MVRPC, GIS is one of the key components of its Planning Support System that provides a vital operating function in conducting regional planning activities. Further, MVRPC's GIS program provides a leadership role in the Region by coordinating and implementing various GIS activities to share data, information, knowledge, and technical expertise with local governments and the general public.

2019 Memorial Day Tornado Recovery Monitoring System Presented at 2024 Miami Valley Planning and Zoning Workshop

December 2024

MVRPC staff gave a number of presentations at the 2024 Miami Valley Planning and Zoning Workshop. Among them was a presentation on the 2019 Memorial Day Tornado Recovery Monitoring System, which focused on how regional cooperation and GIS helped create a robust recovery system.

MIAMI VALLEY

Regional Planning Commission

Shaping Our Region's Future Together

October 2026

Presenting the Miami Valley's Recovery Story

On Memorial Day 2019, the Miami Valley was hit by a record-breaking number of tornadoes in a single night. These storms severely impacted Greene, Miami, and Montgomery counties damaging nearly 6,000 properties and causing nearly \$1 billion in property damage. This resulted in the first federally declared disaster in Ohio in more than 12 years.

The Miami Valley was quick to act ensuring the right partners came together to aid in response and long-term recovery. MVRPC, the impacted counties along with The Dayton Foundation and Sinclair Community College led the efforts supporting community and individual recovery.

Due to these strategic partnerships and the willingness of our Region to collaborate, the Miami Valley was considered fully recovered in four short years. To celebrate this recovery and the

Region's continued dedication to resilience, MVRPC created a storyline showcasing the event and outlining the recovery process, and steps we are taking to ensure our Region remains protected from future extreme weather-related events.

The story can be viewed on MVRPC's website by accessing this link: <https://www.mvrpc.org/regional-initiatives/regional-resiliency-planning>

For more information on disaster preparedness or resilience planning, please contact Elizabeth Baxter, MVRPC Resiliency Planning Manager, at ebaxter@mvrpc.org.

Washington Township Unveils its Newest Fleet Additions

MVRPC staff, local and state officials celebrated the unveiling of mobility vehicles at the Washington Township Joyce Young Center on Monday, August 31, 2026. The newest senior transportation vehicle was made

possible through Federal Transit Administration Section 5310 grant funding through the Ohio Department of Transportation. A multi-passenger golf cart was also on display made possible through the Livable & Age-Friendly Communities Grant of the Dayton Foundation Del Mar Health Fund.

Washington Township became an Age-Friendly Community in 2022 and has provided senior transportation services to its residents since 2015. The demand for specialized transportation services continues to grow due

Ohio Representatives Young and Blakeshear with Washington Trustees Berry and Paulson

to an aging population. These services cater to specific needs of older adults: whether it is assisting a community resident who may have mobility challenges to attend a large public event or providing personalized transportation service to residents who may no longer drive, these services allow residents to age-in place and remain independent.

MVRPC Engages with Future Public Health Professionals

MVRPC Community and Regional Planning staff recently visited Dr. Sara Paton's Community Planning Assessment class at Wright State University to introduce students to the connections between planning and public health.

As part of the graduate public health program, the Community Assessment course explores how communities can assess and address factors that influence health and well-being. MVRPC staff shared examples of assessments completed through PLAN4Health Miami Valley. Additionally, staff led students through a hands-on assessment of a local area in which students identified active living assets, deficiencies, and opportunities for improvement.

The presentation provided the opportunity for students to see how planning principles and infrastructure design may influence physical activity and healthy living. It also highlighted one of PLAN4Health's founding principles which is strengthening collaboration and relationships between planning and public health. Engaging with future public health professionals helps MVRPC continue to build connections and demonstrate the important role that planning can play in creating healthier people and communities.

MVRPC's [PLAN4Health – Miami Valley](#) Initiative was launched in the Spring of 2021 to explore how planning can impact health outcomes. The PLAN4Health - Miami Valley Initiative is a multi-year effort with a focus on projects and programs intended to:

- Promote and advocate for “Health in All Plans and Policies”
- Convene and engage partners to improve conditions that are known to be key determinants of health
- Advance planning efforts aimed at creating conditions for healthy people and communities.

For questions or to learn more about the [PLAN4Health – Miami Valley](#) Initiative, contact Martin Kim, Director of Community and Regional Planning at mkim@mvrpc.org.

SOPEC Selected as Charging Smart Regional Engagement Partner to Accelerate EV Adoption

MVRPC member Sustainable Ohio Public Energy Council (SOPEC) has been selected as a 2026 Charging Smart Regional Engagement Partner. This selection helps SOPEC and connecting partners to support eligible communities in adopting best practices for electric vehicle (EV) charging and achieving Charging Smart designation.

Led by the [Interstate Renewable Energy Council \(IREC\)](#) as part of the [Energy Ready](#) suite of programs, [Charging Smart](#) is a free technical assistance and designation program that helps local governments accelerate the deployment of electric vehicles and EV charging infrastructure.

MVRPC is pleased to share the agency will be collaborating with SOPEC as a connecting partner to support this work. With the agency's experience in deploying new charging infrastructure and our work with the Community First Energy Plan and regional planning efforts, MVRPC brings much experience to the team. The SOPEC-MVRPC partnership will ensure communities participating in the program will facilitate the growth of EVs and advance actions identified in the agency's [Community-First Energy Plan](#) while ensuring opportunities for economic growth. There is no cost to communities to participate. Communities interested in learning more or joining a Charging Smart cohort are encouraged to visit sopec-oh.gov/charging-smart to schedule a consultation. The program will run from November 2026 to June 2027.

PLAN4Health – Miami Valley Initiative goes on the Road to the Association of Metropolitan Planning Organizations (AMPO) National Conference

MVRPC staff were among the 650 MPO staff in Sacramento, CA for the 2026 Association of Metropolitan Planning Organizations (AMPO) Annual Conference September 14-18. The AMPO Annual Conference is the largest gathering specifically for MPOs in the U.S.

During the conference, Martin Kim, Director of Community and Regional Planning and Milo Simpson, Planner II hosted an interactive educational workshop titled “Let's Get Physical!” The workshop focused on introducing PLAN4Health – Miami Valley to a national audience, as well as to “train the trainer” on how to run their own Active Living Workshops. From identifying host communities, preparing workshop materials, facilitating the workshop, and everything in-between, attendees left the session understanding how they could replicate PLAN4Health's Active Living Workshop in their own Region.

Outside of MVRPC’s session, staff attended many different sessions on a variety of topics including housing and transportation integration, active transportation planning, technical assistance programs, working with member communities, and many others. This conference was a great opportunity to learn from, connect with, and share MVRPC’s work with MPO peers.

AMPO’s mission is to help communities thrive by strengthening the MPOs that plan for safe, reliable, and equitable multi-modal transportation networks that are accessible to all. AMPO provides MPO leadership and staff with critical technical assistance and training, creating a collaborative network of MPOs for peer-exchange and knowledge building, developing policy analysis and resources, and advocating at the federal

level on behalf of members. For more information about the Association of Metropolitan Planning Association (AMPO), visit <https://ampo.org/>.

Grants & Funding Resources

On a monthly basis MVRPC highlights funding opportunities for member villages, cities, counties, and townships on our website. We include a description, contact information and program links. We have listed other valuable resources for funding opportunities for all member jurisdictions and organizations on our [Grant and Funding Opportunities page](#).

This month we are featuring information on:

- Land and Water Conservation Fund (LWCF Ohio)– Deadline: October 30, 2026
- Recycle Ohio Grants– Deadline: November 6, 2026

If you have any questions, please contact Kathryn Youra Polk at kyourapolk@mvrpc.org or 937.223.6323.

MVRPC Meeting Calendar

Please check the October agency calendar on mvrpc.org or contact Laura Dent at ldent@mvrpc.org for the status of your meeting.

Date	Time	Meeting
10/01/2026	8:30 a.m.	<u>Executive Committee</u>
10/01/2026	9:00 a.m.	<u>Board of Directors</u>
10/01 & 10/02/2026	8:00 a.m.	<u>APA OKI Conference</u>

10/12/2026	8:00 a.m.	<u>Indigenous Peoples Day – The MVRPC Office is CLOSED</u>
10/15/2026	9:30 a.m.	<u>TAC Meeting</u>
10/27/2026	1:30 p.m.	<u>Youth Group Housing Roundtable</u>
10/27/2026	5:00 p.m.	<u>Virtual Public Participation Meeting to Review the Proposed Amendment to the Areawide Water Quality Management Plan</u>
10/30/2026	9:30 a.m.	<u>Institute Steering Committee Meeting</u>
