DOES YOUR HELMET FIT WELL?

- A well-fitting helmet should:
- Sit level on the head
 - Not be tilted backward or forward
 - Have strong, wide straps that fasten snugly under the chin
 - Be tight enough so that after fastening, no sudden pulling or twisting could move it around

Ohio's Miami Valley region offers an outstanding network of trails and bikeways for its residents and visitors. Over 350 miles of paved trails connect ten counties in the region.

The Great Miami Riverway connects the paved trail and river with vibrant riverfront communities, offering access to abundant recreational activities along the water and into towns from Sidney to Hamilton. GreatMiamiRiverway.com
