

Regional Bikeways Committee: Bikeway Plan Update

Kjirsten Frank Hoppe,
Regional Planner

kfrank.hoppe@mvrpc.org
937-531-6524

2008 Comprehensive Local-Regional Bikeways Plan

- The first MVRPC regional bikeways plan since the 1970s
- **Alta Planning + Design** and **Burgess & Niple** wrote the plan and conducted extensive input meetings and workshops
- The trails system is not the end of our work
 - comprehensive network of bike-friendly facilities needed throughout our communities,
 - using the street network we already have,
 - 30 year time frame
- “Corridor” plan – each line on the plan is a connection to make, not a specific road or route to take
- Introduced “5 E’s” to local bike discussion

What we've done so far:

Goals & Objectives

Objective 1.1 Top 20 Projects in 10 years:

Measure Increase in Cycling: developing count collection, 2009 & 2013 trail surveys

STP Funding for Maintenance since 2009 **\$1M**
\$10-13M in Economic Benefit each year

What we've done so far:

Infrastructure Projects

“High Priority” 100 projects:

- ✓ 7 complete,
- ✓ 14 partly complete
- ✓ 4 in discussion or design
- ✓ 2 funded

13 TIP and Local projects completed

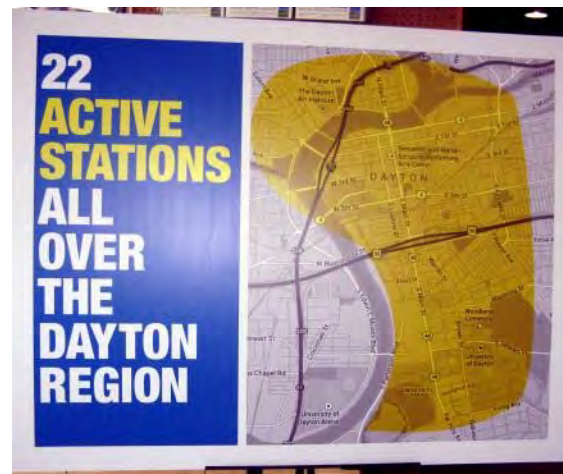

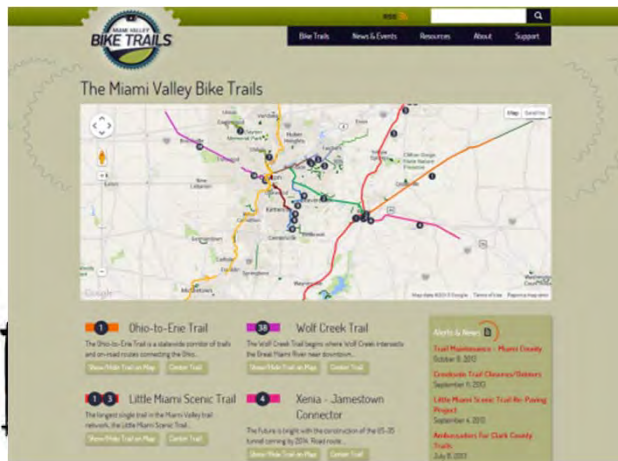

50 projects currently in TIP, including SRTS

What we've done so far:

Other Projects and Programs

- Maps
- Complete Streets Policies
- Tours and Recreational Rides
