

# The Miami Valley's Air Is Monitored Daily.

---

If ground-level ozone or particle pollution levels are forecasted to rise, an “Air Pollution Advisory” will be issued by **3:30 p.m. the day before** air pollution levels are expected to be elevated.

Learn how to reduce air pollution  
at **MiamiValleyAir.org** or  
call MVRPC at **937.223.6323**.

*It all adds up to cleaner air*
