About this Training

This instructor-led course provides learners with information on the importance of pre-planning for housing recovery to accelerate recovery after a disaster occurs.

Upon completion of this course, the learner will be able to:

1. Identify concepts of disaster housing and identify the importance of disaster housing planning.
2. Identify best practices for implementing the Transitional Sheltering Assistance Program and Disaster Case Management, and Community Development Block Grant – Disaster Recovery (CDBG-DR) Program.
3. Identify the benefits and limitations of temporary housing.
4. Identify the benefits and limitations of long-term recovery assistance.
5. Identify public resources to assist in planning and ensure adherence to local building codes, permitting, and utility restoration.
6. Identify the roles and responsibilities of the disaster housing task force.
