Youth Group Housing

You are invited to attend the Youth Group Housing Workshop #3 on Tuesday, April 7, from 2:00 p.m. – 3:30 p.m. at the Montgomery County Employment Opportunity Center (new location!). The goal of the workshop is to continue to discuss and learn the impacts and implications Group Housing for Youth has on community service providers. The focus areas for this workshop includes Schools, Family and Social Services, and Health Services that are critical for supporting the most at-risk populations in our communities.

The intended participants include decision makers and professional staff in various occupations—such as local leaders, state officials, elected officials, school administrators, and family and children’s service support staff— working with community service providers either directly or laterally.
