**I. INTRODUCTION**

Chair Graff called the meeting to order. Self-introductions were made. The Pledge of Allegiance was recited.

**II. APPROVAL OF OCTOBER 6, 2016 MEETING MINUTES**

Mr. Gorman made a motion to approve minutes. Mr. Joseph seconded. The motion passed unanimously.

**III. PUBLIC COMMENT PERIOD ON ACTION ITEMS**

None

#### **IV. MPO (METROPOLITAN PLANNING ORGANIZATION) ACTION ITEMS**

##### **A. Adoption of Amendment to MVRPC's SFY2016-2019 Transportation Improvement Program (TIP)**

Mr. Arnold referred to a memo on page 5 of the mailout explaining that numerous modifications to the programming documents for various projects has resulted in the need for a TIP amendment. He referred to the project tables for each county. Mr. Arnold stated that staff as well as TAC recommends adoption of this TIP amendment, and referred to a resolution on page 26 of the mailout. Mr. Church made a motion to recommend adoption. Mr. Hankins seconded the motion. The motion passed unanimously.

##### **B. Approval of Section 5310 Program of Projects FY2015 and 2016 Allocations**

Mr. Steinbach referred to a memo on page 27 of the mailout explaining that section 5310 primarily funds capital projects, specifically vehicles, to be operated by nonprofit or transit agencies to provide supplemental transportation to seniors and individuals with disabilities. He reviewed changes in the 5310 program under MAP 21 and FAST Act. Mr. Steinbach reported that the combined FY2015 and 2016 funding available was \$1,313,613 and reviewed the application guidelines. He explained the competitive selection process, stating that staff is recommending all nine (9) applications received, for a total of twenty-one (21) vehicles, be recommended for approval. A public meeting was held on November 2, where 6 people attended, but no formal comments received. Mr. Steinbach referred to a resolution on page 36 of the mailout, noting that both staff and TAC recommend approval. Mr. Stroud made a motion to approve. Mr. Beals seconded. The motion passed unanimously.

##### **C. Approval of MPO Membership for Franklin Township, Warren County Ohio**

Mr. Martin referred to a memo on page 37 of the mailout explaining that the Franklin Township, in Warren County, expressed interest in joining MVRPC as an MPO member back in April, 2016. Franklin Township was a non-MPO member for many years prior to 2013. He explained that in order for them to become an MPO member, the Board would need to take action to extend the MPO boundary to include Franklin Township. Mr. Martin noted that after Board action, ODOT will need to review and verify the process and amend the ODOT/MVRPC Biennial agreement as needed. Mr. Mucher asked if there was a down side to their membership. Mr. Martin stated the only downside he saw was if they withdrew after just one year. Mr. Beals asked if OKI was too large, and they were being overlooked, or if they have a large back log of projects they are hoping to get funded. Mr. Martin explained they are a smaller part of OKI, and they see a better opportunity to join MVRPC alongside Franklin and Carlisle, who are currently members. They do not have a large list of projects, and would submit funding applications and follow the annual solicitation process. Mr. Martin referred to a resolution for approval on page 41. Mr. Hankins made a motion to adopt. Mr. Joseph seconded the motion. The motion carried.

#### **V. INFORMATION ITEMS**

##### **A. Proposed new projects requesting MVRPC's STP, CMAQ and TA Funds**

Mr. Arnold referred to a memo on page 42 of the mailout. The memo provided a table showing the funds requested and total project costs for both funding categories. He reported that a public involvement meeting was held on November 3<sup>rd</sup> and no public comments were received. He reviewed project tables that provide more details for each of the project applications that were submitted. After each proposed project is evaluated and ranked, a final list of recommended projects will be reviewed, a project sponsor meeting will be held in January and a recommendation will be forwarded for final approval at the February/March meeting cycle.

## **B. Long Range Transportation Plan Executive Summary**

Mr. Uhlhorn explained this is an Executive Summary of the Long Range Transportation Plan (LRTP) that was adopted back in May. He reviewed several components of the plan which included Congestion Management, Population and Employment, Transit Services and Community Impact Assessment. Mr. Uhlhorn explained how the Miami Valley Region will need to adapt to its changing demographics and their needs while embracing and planning for new and emerging technologies, including those in the transportation field in order to remain competitive. He also demonstrated how to access the LRTP on the website. Mr. Johns from FHWA commended the staff on their work developing this transportation plan, stating it will be a very useful resource.

## **C. Going Places Implementation Tools Progress Update**

Mr. Kim provided an update on the Going Places Implementation Tools, specifically on Tool D, Regional Assets and Economic analyses. He listed past accomplishments including the publication of regional diversity, vacancy, and recreational open space profiles. Mr. Kim explained that these profiles are available through a print version and dynamic web-based infographics. He reviewed various maps and graphs which demonstrate our region's diversity, recreational open space and vacancy. Mr. Kim demonstrated how to access this data and infographics on the web site. Mr. Hankins questioned the possibility of these Going Places tools become an "app" in the future as they continue to develop. Mr. Kim stated the cost and additional details could be explored in the future.

## **D. 150<sup>th</sup> Anniversary of the Veterans Advisory Council**

Ms. Wallace reported that she is on the Veterans Advisory Council and they have been planning the 150<sup>th</sup> Anniversary of the Dayton VA. She introduced Kim Frisco from the Dayton VA. Ms. Frisco shared some history and statistics of the VA, noting that it serves 16 counties, and opened in 1867, making it the 3<sup>rd</sup> oldest VA facility. She referred to a handout that provided a calendar of events for the upcoming year. As part of the celebration and recognition of this anniversary, local jurisdictions may purchase "pole banners" to display in the communities. Ms. Frisco provided order forms for anyone interested in this program. Ms. Wallace added that this advance planning can allow jurisdictions to budget for these banners if they choose to participate. Mr. Stroud noted the importance and economic resource of this VA facility in our region, and also gives us the opportunity to honor and celebrate veterans.

## **VI. EXECUTIVE DIRECTOR'S REPORT**

Mr. Martin referred to a handout that provided is December report. He shared information on quiet car safety standards recently released by the National Highway Traffic Safety Administration (NHTSA). Mr. Martin reported that MVRPC recently hosted its first GIS training session on November 8<sup>th</sup>, which was very well attended. He announced the "Save the Date" for the 2017 Annual Spring Dinner to be held again at the Marriott on Wednesday, April 19<sup>th</sup>, 2017. His report also featured Julie Black as this month's staff member, provided some grant and funding resources as well as a list of upcoming meetings. Mr. Martin announced that that staff recommends canceling the December TAC and January Executive and Board meetings due to a lack of agenda items. He also referred to a recent article in DDN regarding a coordinated effort between the Montgomery County Engineer and the City of Kettering to obtain funding for a bridge repair on Stroop Road. He also noted MVRPC's involvement in Shroyer Road in Oakwood and Kettering. Mr. Martin also congratulated Debborah Wallace on her recent membership into the VA Hall of Fame.

## **VII. ADJOURNMENT**

Mr. Stroud made a motion to adjourn. Ms. Benna' seconded the motion. The motion passed unanimously.

## MEMORANDUM

**To:** Technical Advisory Committee, Board of Directors  
**From:** MVRPC Staff  
**Date:** January 12, 2017  
**Subject:** SFY2016-SFY2019 Transportation Improvement Program (TIP) Amendment #15

Over the last few months MVRPC, ODOT and GDRTA have made numerous modifications to the programming documents for various projects resulting in the need for an SFY2016-SFY2019 TIP amendment. The attached TIP Tables 4.1, 4.3, 4.4 and 5.3 reflect the updated information for each specific project. Modifications to Statewide Line Item projects are shown on Table 4.6 and are provided for information only. A TIP terminology explanation chart of key abbreviations used in the highway/bikeway tables precedes Table 4.1. A resolution adopting the proposed TIP amendment is attached for your review and consideration.

These TIP amendments will not affect the regional air quality emission analysis.

The MVRPC staff recommends your approval.

Attachments:

- (1) TIP Abbreviation Table
- (2) Amended MVRPC TIP tables: 4.1, 4.3, 4.4 and 5.3.
- (3) Statewide Line Item Project table 4.6 (For information only)
- (4) Resolution Adopting Amendments to the SFY2016-2019 TIP

## EXPLANATION OF ABBREVIATIONS USED IN TABLES 4.1 – 4.8

### **Project I.D. #**

**RESOLUTION AMENDING THE  
SFY2016-SFY2019 TRANSPORTATION IMPROVEMENT PROGRAM**

**WHEREAS**, the Miami Valley Regional Planning Commission is designated as the Metropolitan Planning Organization (MPO) by the Governor acting through the Ohio Department of Transportation in cooperation with locally elected officials for Greene, Miami and Montgomery Counties including the jurisdictions of Carlisle, Franklin and Springboro in Warren County; and

**WHEREAS**, the MVRPC's Board of Directors serves as the policy and decision making body through which local governments guide the MPO's transportation planning process for the Dayton Metropolitan Area; and

**WHEREAS**, all Federally funded transit and highway improvements within Greene, Miami and Montgomery County must be included in the region's Transportation Improvement Program (TIP) prior to the expenditure of Federal funds; and

**WHEREAS**, the SFY2016-SFY2019 Transportation Improvement Program was adopted on May 7, 2015; and

**WHEREAS**, MVRPC, ODOT and GDRTA have made numerous modifications to the programming documents for various projects resulting in the need for a SFY2016-SFY2019 TIP amendment; and

**WHEREAS**, the proposed amendment is consistent with the Region's long-range transportation plan; and

**WHEREAS**, this TIP amendment will not affect the regional air quality emission analysis of the SFY2016-SFY2019 TIP; and

**WHEREAS**, the MVRPC Public Participation Policy for Transportation Planning process allows for minor TIP amendments such as this to occur without separate public involvement meetings; and

**WHEREAS**, this amendment will result in a TIP that is in reasonable fiscal constraint

**NOW THEREFORE BE IT RESOLVED**, that the Board of Directors of the Miami Valley Regional Planning Commission hereby adopts **Amendment #15** to the SFY2016-SFY2019 Transportation Improvement Program as shown on the attached TIP Tables.

**BY ACTION OF THE** Miami Valley Regional Planning Commission's Board of Directors.

## MEMORANDUM

**To:** Technical Advisory Committee, Board of Directors  
**From:** MVRPC Staff  
**Date:** January 12, 2017  
**Subject:** Draft SFY2018-2021 Transportation Improvement Program (TIP)

The Federal Highway Administration (FHWA)/Federal Transit Administration's (FTA) Statewide and Metropolitan Planning regulations require the development of both a State and Metropolitan Transportation Improvement Program (TIP). The ODOT Biennial STIP/TIP Development standard requires the submittal of Draft TIP's to ODOT Central by early February 2017.

Staff has closely coordinated the development of the Draft TIP with all project sponsors including local jurisdictions, transit operators and ODOT. Staff held a public involvement meeting to present the Draft TIP on January 5, 2017. A summary of public involvement comments is included as an attachment.

The TIP includes highway, bikeway, transit and other projects which are entered into ODOT's ELLIS project tracking system which helps develop milestones and establish dates when projects will require federal funding authorizations through the STIP/TIP. Projects are entered into and tracked through ELLIS by establishing a project identification (PID) number. ODOT tracks programmed projects to ensure they meet development milestones and completion dates and the STIP/TIP then allocates federal funding as needed for preliminary engineering (ENG) Right of way (ROW) and construction (CON).

The highway/bikeway section of the Draft SFY2018-2021 TIP includes tables listing projects for each one of our three counties plus the jurisdictions of Carlisle, Franklin and Springboro in Warren County. Table 4.1 (Greene County), Table 4.2 (Miami County), Table 4.3 (Montgomery County), Table 4.4 (Warren County jurisdictions) and Table 4.5 (Areawide/Statewide and planning projects) show highway, bikeway and other improvements for which some phase of work will be advanced during SFY2018-2021. As required by ODOT, projects are sorted in the tables by the "County-Route-Section" number. Any federally funded phases of work during SFY2018-2021 must be approved by the FHWA prior to the encumbrance of federal funds. Tables 4.1 through 4.5 were developed utilizing the previous SFY2016-2019 TIP tables and have been modified to incorporate updated schedules and cost information for currently approved projects as well as all new projects.

Projects not considered to be of appropriate scale for individual identification in a given program year may be added to the STIP by statewide line item. Table 4.6 provides the current list and descriptions of projects utilizing statewide line items in MVRPC's region for SFY2018-2021. This table is provided for information only. Specific projects in this table are not included in the TIP and are not subject to TIP Amendments.

MVRPC's highway fiscal analysis is also part of the Draft SFY2018-2021 TIP and includes tables listing projects for our MPO area. Table 4.7 documents the fiscal analysis for MVRPC controlled funding sources. For the highway/bikeway program, the fiscal constraint is based upon the State's estimate of Federal encumbrances/allocations through SFY2021.

The Transit section of the TIP includes separate tables for each of the three transit entities in the region. The GDRTA, Greene CATS and Miami County Transit.

A resolution adopting the Draft SFY2018-2021 TIP is attached for your review

## EXPLANATION OF ABBREVIATIONS USED IN TABLES 4.1 – 4.8

### **Project I.D. #**

First Three Characters  
 000 = Unique Project Number  
 Decimal Character = Subtype (as described below)  
 .1 = New Construction  
 .2 = Reconstruction  
 .3 = Resurface  
 .4 = Safety Improvement  
 .5 = Bridge Replacement/Rehabilitation  
 .6 = Signal Improvement  
 .7 = Bikeway/Pedestrian Improvement  
 .8 = Other Improvements

### **PID #**

ODOT "Project Identification Number"

### **Air Quality Status**

Identifies projects which were included  
 in the LRTP air quality conformity analysis  
 Upper Row = Project is Exempt or was Analyzed  
 Lower Row = Build Year Scenario (2020, 2030 or 2040)

### **Phase of Work**

ENG -Environmental and Contract Plan Preparation  
 ROW -Right-of-Way Acquisition  
 CON -Construction  
 SPR -Federal State Planning and Research

### **LRTP Goal**

G1 -Address regional transp. needs through improved planning  
 G2-1 -Encourage a stronger multi-modal network in the Region  
 G2-2 -Maintain the regional transportation system  
 G2-3 -Upgrade the regional transportation system  
 G2-4 -Incorporate regional land use strategies  
 G3 -Enhance attractiveness for future economic development  
 G4 -Encourage pursuit of alternative fuels to reduce emissions

Hello Paul,

See comments below for the public meeting held on 1-5-17.

For All County, Bike Miami Valley supports the following projects:

SLI-018, SLI-024, SLI-026, 95228, 97752, 100686, 95839, 97745, 100451, 102944, 95227, 97750, 97751, 100685

For Miami County, Bike Miami Valley supports the following projects:

97899, 100778, 103160

For Greene County, Bike Miami Valley supports the following projects:

98161, 98576, 93536, 103493, 100924, 101498, 101771

Tentatively support: 98157 (need to know more about how bikes and pedestrians are being accommodated but generally like the project)

For Montgomery County, Bike Miami Valley supports the following projects:

97904, 103342, 97896, 96254, 93235, 101476, 95303, 102973, 100459, (would love to see a protected bike lane here), 93301, 98267, 98514, 97905 100467, 95842, 99981, 95393, 95420, 95306, 97910, 103176, 97906, 103177, 88775

Tentatively support: 95305

We would love to follow the progress of these projects so please tell your members to add the following emails to their public meeting lists, if we're not already listed - [lestandia@bikemiamivalley.org](mailto:lestandia@bikemiamivalley.org) and [contact@bikemiamivalley.org](mailto:contact@bikemiamivalley.org).

(Laura Estandia personally supports all of the above projects as well as the Going Places Initiative and projects submitted by Greater Dayton RTA.)

Thank you for the opportunity to comment!

**RESOLUTION ADOPTING THE DRAFT SFY2018-SFY2021  
TRANSPORTATION IMPROVEMENT PROGRAM**

**WHEREAS**, the Miami Valley Regional Planning Commission is designated as the Metropolitan Planning Organization (MPO) by the Governor acting through the Ohio Department of Transportation in cooperation with locally elected officials for Greene, Miami and Montgomery Counties including the jurisdictions of Carlisle, Franklin and Springboro in Warren County; and

**WHEREAS**, the MVRPC's Board of Directors serves as the policy and decision making body through which local governments guide the MPO's transportation planning process for the Dayton Metropolitan Area; and

**WHEREAS**, federal and state directives require that a Transportation Improvement Program (TIP) shall be developed and updated by Metropolitan Planning organizations in cooperation with (1) state and local officials; (2) regional and local transit operators; (3) grant recipients under Section 5307, Section 5310 or other sections of Title 49, U.S.C., and other affected transportation and regional planning and implementing agencies; and

**WHEREAS**, the Draft SFY2018-2021 Transportation Improvement Program developed by the Miami Valley Regional Planning Commission (MVRPC), as the designated Metropolitan Planning Organization for the Dayton Metropolitan Area, is consistent with the 2040 Long Range Transportation Plan and its policies; and

**WHEREAS**, the Draft SFY2018-2021 Transportation Improvement Program is fiscally constrained; and

**WHEREAS**, the Draft SFY2018-2021 Transportation Improvement Program was developed consistent with MVRPC's Public Participation Policy and has been reviewed and accepted by the Technical Advisory Committee and has been coordinated with regional and local transit operators, recipients authorized under Federal Transit Acts, and with adjacent transportation planning agencies (OKI and CCS-TCC) as well as local community officials.

**NOW THEREFORE BE IT RESOLVED**, that the Board of Directors of the Miami Valley Regional Planning Commission hereby adopts the Draft SFY2018-2021 Transportation Improvement Program; and

**BE IT FURTHER RESOLVED** that the MVRPC Board of Directors hereby recommends that the Federal Highway Administration, the Federal Transit Administration, the Ohio Environmental Protection Agency and the Ohio Department of Transportation review and comment on the Draft SFY2018-2021 Transportation Improvement Program at the earliest opportunity before the Final SFY2018-2021 Transportation Improvement Program is published in May 2017.

**BY ACTION OF THE** Miami Valley Regional Planning Commission's Board of Directors.

## MEMORANDUM

To: Technical Advisory Committee, Board of Directors

From: MVRPC Staff

Date: January 13, 2017

Subject: FY2018 Transportation and Government Services Priority Development and Advocacy Committee (PDAC) Projects

The Miami Valley Regional Planning Commission is working with other organizations throughout the Miami Valley to identify projects that may be eligible for funding. This group, the Dayton Region Priority Development and Advocacy Committee, has developed a process for soliciting projects for consideration of funding through the legislative process. Through a committee decision, the top projects are forwarded on to elected officials for deliberation.

MVRPC is the lead agency for Transportation projects, which include any surface, air, rail, transit, and pedestrian transportation-related projects. Five FY2018 PDAC Transportation project applications, requesting \$12 million, were received by the deadline of November 11, 2016 (see attached Exhibit 2).

MVRPC is also the lead agency for Government Services projects, which include any emergency services, criminal justice, first responders, community and neighborhood infrastructure and K-12 education-related projects. Two FY2018 PDAC Government Services project applications, requesting \$2 million, were received by the deadline of November 11, 2016 (see attached Exhibit 4).

The Transportation and Government Services projects were evaluated by a review panel on January 13, 2017. The MVRPC Review Panel reviewed and concurred with the staff categorization of the proposed projects. The criteria used to categorize the Transportation and Government Services applications can be found at:  
<http://mvrpc.org/transportation/financing/pdac>.

The MVRPC Review Panel is recommending Five Transportation "Traditional" (Roadway)/"Non-Traditional" (Bikeway) projects and Two Government Services projects for submittal to the Dayton Region Priority Development and Advocacy Committee in categorized order (see attached Exhibit 1). A resolution endorsing these recommendations is attached for your consideration.

The list of recommended priorities is now being sent to the MVRPC Board structure for final review and adoption and submittal to the Dayton Region Priority Development and Advocacy Committee.

**FY2018 Transportation PDAC Requests**

Project Name / Description	Project Sponsor	Total Project Cost	Requested Amount
<b>I-675 at Wilmington Pike Interchange</b> This project provides interchange modifications to increase capacity of the Wilmington Pike and the existing I-675 ramps. Development of a hospital and medical campus is complete with anticipated future expansion. With the initial phase of major retail, commercial and residential development complete; preliminary planning continues for additional phases adjacent to the interchange. The transportation infrastructure will require expansion to protect the health, safety and welfare of all users.	City of Centerville	\$30,000,000	\$6,000,000
<b>I-675 at Grange Hall Road Interchange Modification Project</b> The proposed I-675/Grange Hall Road interchange project consists of modification of the existing interchange from a partial interchange to a full interchange. Work associated with this portion of the project includes a Conceptual Alternatives Study (CAS) and an Interchange Modification Study (IMS). This upgrade is needed to address congestion and safety issues on the local roadways and interstate from people trying to arrive and leave from WPAFB, Wright State University, Soin Medical Center, and other surrounding businesses in this regional business center.	City of Beavercreek	\$18,650,000	\$500,000
<b>Piqua Great Miami River Trail Pedestrian Replacement Bridge</b> This project involves replacing the existing inadequate pedestrian bikeway bridge with an ADA accessible bridge located in a more scenic location. Currently, bicyclists cannot ride their bike across the bridge. The narrow confines of the bridge with the minimal safety railings and visible deteriorating conditions of the structure, provide a far less than satisfactory sense of safety and well being as they cross the river.	City of Piqua	\$1,900,000	\$1,000,000
<b>South Limestone Street Improvements</b> The project will consist of reconfiguration of the intersection and traffic signal replacement at South Limestone Street and Leffel Lane, and adding landscaping to the infield areas of the Interstate 70 interchange with South Limestone Street (State Route 72).	City of Springfield	\$3,400,000	\$3,000,000
<b>West 3rd and Abbey Transportation Improvements</b> The Dayton Metro Library's commitment to locating at US 35, CJ McLin Parkway and Abbey Road represents one of the largest financial commitments to West Dayton in more than a decade – second only to the Veteran's Administration Campus. Through intentional design, the new Library will be linked with the NAHA development to create a walkable, attractive, community inspired campus. The possibilities to reimage and reshape Abbey Road and the two gateway intersections at US 35 and Third Street which frame Abbey presents a further opportunity to create an attractive, tree-lined pedestrian and vehicular travel experience into and through the new West Dayton campus. Abbey Road, which would function as the main connection to and through the site, would become a beautiful tree-lined corridor. A grand gateway would be created at US 35 and Abbey, signaling to the public that they are entering a very special place.	City of Dayton	\$1,500,000	\$1,500,000
<b>Total</b>		<b>\$55,450,000</b>	<b>\$12,000,000</b>

Project Name / Description	Project Sponsor	Total Project Cost	Requested Amount
<b>Montgomery County Criminal Intelligence Center</b>	Montgomery County Sheriff's Office	\$1,016,410	\$516,705
The Criminal Intelligence Center will provide essential contributions towards protecting our communities by providing timely, accurate and actionable information through increasing communication between law enforcement agencies serving the citizens of Montgomery County. The funding will provide personnel and support law enforcement efforts to combat criminal activity and promote officer safety through intelligence led and predictive policing.			
<b>Regional Levee Armoring and Riverfront Enhancements</b>	Miami Conservancy District	\$2,200,000	\$1,500,000
The regional levee armoring and riverfront enhancement project will replace deteriorated concrete slope protection in areas susceptible to erosion and reduce the risk of flooding to Miami Valley cities. This project is a critical component of communities' quality of life and economic development plans for their riverfront. MCD's regional flood protection system reduces the risk of flooding for riverfront communities. For nearly 100 years, MCD's levees have allowed cities to grow, develop, and prosper without the fear of flooding.

## MVRPC Board Presentation

## We Expanded!

- Sponsors include RTA, the County and Citywide Development
- New stations include:
  - Longworth
  - Tech Town
  - Job Center

## MVRPC Board Presentation

## Expansion Guidelines

- Focus on creating density in core network
- Grow as Dayton grows with new development
- Still have a window of growth before needing additional bikes
- Can grow by 7 more stations without additional operations team

## Satellite Systems

- No staff time will be dedicated to exploring "satellite" systems
- If a community wants to use Link brand and system, they will need to create feasibility plan and fund their own operations staff

## MVRPC Board Presentation

## Challenges and Opportunities

- Sponsorship will remain an important part of the Link business model, even five years into the system
- Program expansion provides revenue source to not only grow sponsorship revenue, but also trips and customer revenue (until system size exceeds what we can support with current staff)
- Population in the downtown core is expected to increase 30-50% in the next 18 months; this will have a significant impact on trips
- National conversations point to bike share as a public good and therefore, continually eligible for funding
- Users top reasons for not riding more often points to a need for more on street infrastructure
