The Miami Valley Regional Planning Commission Board of Directors met on May 5, 2022 at 9:00 a.m. at Dayton Realtors 1515 S. Main St., Dayton, Ohio 45402. All members and news media were notified of the meeting pursuant to the Sunshine Law.

**I. INTRODUCTIONS**

Chairperson Simmons called the meeting to order at 9:03 a.m. Self-introductions were made. The Pledge of Allegiance was recited.

## **II. APPROVAL OF APRIL 7, 2022 MEETING MINUTES**

Mr. Berry made a motion to approve the minutes from the April 7, 2022 Board meeting. Ms. Lommatzsch seconded the motion. The motion passed unanimously.

## **III. PUBLIC COMMENT PERIOD ON ACTION ITEMS**

None

## **IV. RPC (REGIONAL PLANNING COMMISSION) ACTION ITEMS**

### **A. Recommended Adoption of the MVRPC Budget and Work Program SFY 2023**

Mr. Lucas reviewed the draft Budget and Work program for SFY 2023. He provided an overview of the layout of the Work Program and explained the different funding sources by each work element. He then discussed Schedules A-G and provided a brief summary of each table. Mr. Lucas then referred to the Staffing Profile on Schedule C and stated they've added new positions and are actively hiring and recruiting.

Mr. Lucas also discussed how MVRPC is currently working with ODOT to create the Regional Planning Organization (RPO) for the rural jurisdictions of the Miami Valley region in Darke, Preble and Shelby Counties. Mr. Lucas then opened the floor for questions and addressed new members and membership dues. A Policy Subcommittee meeting is scheduled for May 17<sup>th</sup> to further discuss the new membership dues.

Mr. Bruns made the motion to approve the SFY 2023 Budget and Work Program. Mr. Serr seconded the motion. The motion passed unanimously.

### **B. Institute Steering Committee Recommendation for the 2022 Livable, Age-Friendly Communities Grants**

Ms. Sempeles announced the MVRPC member organizations that have applied to receive a \$10,000 Livable, Age-Friendly Communities Grants from the DMH-Dayton Fund at The Dayton Foundation to become an AARP Livable, Age-Friendly Community. She explained the funds will be used for community surveys, data analysis and technical assistance for communities to begin Phase 1 of the AARP Livable, Age-Friendly Communities multi-year planning effort. She then referenced the summary of applicants and the age-related demographics for their communities in the packet. Lastly Ms. Sempeles stated that MVRPC Staff and the Institute for Livable and Equitable Communities Steering Committee recommends Board approval to recommend to The Dayton Foundation that funding be awarded to the MVRPC member communities.

Ms. Wallace made a motion to approve the resolution forwarding the 2022 Livable, Age-Friendly Communities Grants to The Dayton Foundation for funding. Mr. Graves seconded the motion. The motion passed unanimously.

### **C. Areawide Water Quality Management Plan Amendment**

Mr. Lindsay provided an update on the Areawide Water Quality Management Plan. He stated on February 22, 2022 the Tri-Cities Wastewater Authority (Tri-Cities) provided a formal request to modify the boundaries of the Tri-Cities and Dayton Facility Planning Areas (FPA) within the Areawide Water Quality Management Plan. Mr. Lindsay then shared a map of the current FPAs. He explained the proposed boundary changes and stated in 2019 the cities of

Dayton and Vandalia signed an agreement to swap areas within their respective FPA for purposes of planned development and shared a map showing the proposed FPA updates. Lastly, he shared MVRPC's review process timeline and stated MVRPC staff and the Technical Advisory Committee recommend Board approval of this FPA boundary change.

Ms. Lommatzsch motioned to approve the Areawide Water Quality Management Plan amendment. Mr. Joseph seconded the motion. The motion passed unanimously.

## **V. MPO (METROPOLITAN PLANNING ORGANIZATION) ACTION ITEMS**

### **A. Recommended Adoption of Amendment #18 to MVRPC's SFY 2021-2024 Transportation Improvement Program (TIP)**

Mr. Arnold referred to the 18th amendment to the SFY 2021-2024 TIP and the numerous project changes made by MVRPC and ODOT. He referred to the packet showing the tables broken down by county, as well as the statewide line item project tables. Mr. Arnold stated that MVRPC Staff and the Technical Advisory Committee recommend adoption of Amendment #18 to the SFY 2021-2024 Transportation Improvement Program.

Mr. Stroud made a motion to approve the resolution adopting Amendment #18 to MVRPC's SFY 2021-2024 Transportation Improvement Program (TIP). Mr. Ruzinsky seconded the motion. The motion passed unanimously.

## **VI. INFORMATION ITEMS**

### **A. TRAC Solicitation Update for Considering Major New Capacity Projects**

Mr. Daniel presented an update regarding this year's TRAC solicitation. He stated the TRAC project solicitation began May 1, 2022 and applications are due to ODOT and MVRPC by May 31, 2022. MVRPC will work in coordination with ODOT to acknowledge and review all TRAC applications within the MPO region for the current solicitation. He then shared the links to [TRAC's Policies and Procedures, Application Guidelines and Application forms](#) and [MVRPC Project Evaluation System \(PES\) Criteria](#).

### **B. Bike Month**

Mr. Lindsay and Ms. Henry provided information for Bike Month. Mr. Lindsay first shared an update on the latest [Active Transportation Plan draft](#) and said the virtual public meeting was held on May 2<sup>nd</sup> and the public comment period through May 11<sup>th</sup>. Mr. Lindsay then shared a brief update on the 2021 Trails User Survey report and was happy to announce the public opinion of the trail maintenance in all counties was rated between good and excellent. He invited members to download the full [Trail User Summary Report](#) for more information on perceptions of the trails, economic impacts, and trail user information.

### **C. Tour de Gem**

Mr. Martin introduced Mr. Gerry Chadwick to present information regarding the [2022 Tour de Gem- Wright Brothers Cycling Classic](#). Mr. Chadwick first presented a brief overview of the concept, mission and vision for the cycling fundraising event. He stated the vision is to become one of the preeminent cycling and fundraising events in the Dayton Region and beyond by hosting a fun, family-friendly cycling event that: provides a fundraising mechanism for local nonprofit organizations; delivers a fun, safe and memorable experience for riders;

creates public relations value for sponsors and corporate partners; encourages stronger relationships among regional communities and increases the awareness of the Dayton Region as a true GEM. Mr. Chadwick then highlighted some of the nonprofit organizations participating in the past and discussed the future goals for fundraising. Lastly he shared the upcoming event timeline and details and he invited members to become a sponsor, participate, promote the event or volunteer. Mr. Chadwick then opened the floor for questions and asked members to visit the website [www.tourdegem.org](http://www.tourdegem.org) for more information.

#### **D. MVRPC Member Services Overview**

Mr. Martin presented an overview of MVRPC's member services. He first presented the entire MVRPC geography map outlining the various counties MVRPC serves with different capacities such as MPO, RPO, Economic Development District, Rideshare, and the Regional Planning Commission. He then provided more information on each of the services MVRPC offers to Members such as Transportation Planning as the MPO ([Long Range Planning](#) and [Short Range Planning](#)); [Transportation Funding](#); [Economic Development Planning](#); [Disaster Recovery and Resiliency Planning](#); [Institute for Livable and Equitable Communities](#), future services for RPO Members; [Transit Planning and Funding for Older Americans and Persons with Disabilities](#); [Active Transportation Planning](#); [Comprehensive & Strategic Plans](#); [Rideshare Services](#); and [Water Quality Planning](#).

### **VII. EXECUTIVE DIRECTOR'S REPORT**

#### **A. Executive Director's Update**

Mr. Martin reviewed the May ED's Update:

- Virtual Public Participation Meeting Planned for the Regional Active Transportation Plan
- Environmental Justice Academy Announces Piranha Bowl Winners
- Miami Valley Regional Broadband and Digital Equity Forum
- Miami Valley Roads
  - Project at the Intersection of Woodman Drive and Burkhardt Road
- Grants and Funding Resources
- Upcoming MVRPC Meetings

Mr. Martin recognized retiring Board Member Ms. Janet Bly for her service to the Region as General Manager of the Miami Conservancy District, with a remarkable record of public service, while serving on the MVRPC Board of Directors over the past 19 years. Ms. Bly thanked Mr. Martin and introduced the new Miami Conservancy General Manager, Ms. MaryLynn Lodor.

Mr. Martin introduced Mr. Fabrice Juin, MVRPC's new Regional Equity Manager. He then announced new [job opportunities](#) at MVRPC.

## **VIII. ADJOURNMENT**

Chairperson Simmons called for a motion to adjourn the meeting. Mr. Bruns made a motion to adjourn the meeting. Mr. Housh seconded the motion which was approved unanimously. Chairperson Simmons called the meeting adjourned at 10:20 a.m.

## MEMORANDUM

**To:** Technical Advisory Committee, Board of Directors  
**From:** MVRPC Staff  
**Date:** May 10, 2022  
**Subject:** SFY2021-SFY2024 Transportation Improvement Program (TIP) Amendment #19

Over the last few months MVRPC and ODOT have made numerous modifications to the programming documents for various projects resulting in the need for an SFY2021-SFY2024 TIP amendment. The attached TIP Tables 4.1, 4.2, 4.3 and 4.4 reflect the updated information for each specific project. Modifications to Statewide Line Item projects are shown on Table 4.6 and are provided for information only. A TIP terminology explanation chart of key abbreviations used in the highway/bikeway tables precedes Table 4.1. A resolution adopting the proposed TIP amendment is attached for your review and consideration. The MVRPC staff recommends your approval.

### Attachments:

- (1) TIP Abbreviation Table
- (2) Amended MVRPC TIP tables: 4.1, 4.2, 4.3 and 4.4
- (3) Statewide Line Item Project table 4.6 (For information only)
- (4) Resolution Adopting Amendments to the SFY2021-2024 TIP

## EXPLANATION OF ABBREVIATIONS USED IN TABLES 4.1 – 4.8

### **Project I.D. #**

First Three Characters  
 000 = Unique Project Number  
 Decimal Character = Subtype (as described below)  
 .1 = New Construction  
 .2 = Reconstruction  
 .3 = Resurface  
 .4 = Safety Improvement  
 .5 = Bridge Replacement/Rehabilitation  
 .6 = Signal Improvement  
 .7 = Bikeway/Pedestrian Improvement  
 .8 = Other Improvements

### **PID #**

ODOT "Project Identification Number"

### **Air Quality Status**

Identifies projects which were included  
 in the LRTP air quality conformity analysis  
 Upper Row = Project is Exempt or was Analyzed  
 Lower Row = Build Year Scenario (2020, 2030 or 2040)

### **Phase of Work**

ENG -Environmental and Contract Plan Preparation  
 ROW -Right-of-Way Acquisition  
 CON -Construction  
 SPR -Federal State Planning and Research  
 DBT -Debt Service

### **LRTP Goal**

G1 -Address regional transp. needs through improved planning  
 G2-1 -Encourage a stronger multi-modal network in the Region  
 G2-2 -Maintain the regional transportation system  
 G2-3 -Upgrade the regional transportation system  
 G2-4 -Incorporate regional land use strategies  
 G3 -Enhance attractiveness for future economic development  
 G4 -Encourage pursuit of alternative fuels to reduce emissions

### **FUND CODES, DESCRIPTION AND TYPICAL FUNDING SPLIT**

#### **Federal Allocation of ODOT or County Engineer Association Controlled Funds**

	Typical Fed./Local Share
BR -Bridge Replacement and Rehabilitation	80/20
EAR -Federal Earmark, Specific Source Undetermined at this Time	Varies
f-5307 -Urbanized Area Formula Grant	80/20
f-5310 -Enhanced Mobility of Seniors and Individuals with Disabilities	80/20
f-5337 -State of Good Repair Program	80/20
f-5339 -Bus and Bus Facilities Formula Program	80/20
HSIP -Highway Safety Improvement Program	90/10
IM -Federal-Aid Interstate Maintenance (Resurfacing, Restoring, Rehabilitation)	90/10
NH -National Highway System	80/20
NHPP -National Highway Performance Program	80/20
OTH -Other	Varies
SPR -Federal State Planning and Research	80/20
SRTS -Safe Routes to School	100
STA -Surface Transportation Program (ODOT Transportation Alternatives Set-aside)	80/20
STD -Surface Transportation Program (ODOT Allocation)	80/20
TRAC -Transportation Review Advisory Council	Varies

**RESOLUTION AMENDING THE  
SFY2021-SFY2024 TRANSPORTATION IMPROVEMENT PROGRAM**

**WHEREAS**, the Miami Valley Regional Planning Commission is designated as the Metropolitan Planning Organization (MPO) by the Governor acting through the Ohio Department of Transportation in cooperation with locally elected officials for Greene, Miami and Montgomery Counties including the jurisdictions of Carlisle, Franklin, Springboro and Franklin Township in Warren County; and

**WHEREAS**, the MVRPC's Board of Directors serves as the policy and decision making body through which local governments guide the MPO's transportation planning process for the Dayton Metropolitan Area; and

**WHEREAS**, all Federally funded transit and highway improvements within Greene, Miami and Montgomery County must be included in the region's Transportation Improvement Program (TIP) prior to the expenditure of Federal funds; and

**WHEREAS**, the SFY2021-SFY2024 Transportation Improvement Program was adopted on May 7, 2020; and

**WHEREAS**, MVRPC and ODOT have made numerous modifications to the programming documents for various projects resulting in the need for a SFY2021-SFY2024 TIP amendment; and

**WHEREAS**, the proposed amendment is consistent with the Region's long-range transportation plan; and

**WHEREAS**, this TIP amendment will not affect the regional air quality emission analysis of the SFY2021-SFY2024 TIP; and

**WHEREAS**, the MVRPC Public Participation Policy for Transportation Planning process allows for minor TIP amendments such as this to occur without separate public involvement meetings; and

**WHEREAS**, this amendment will result in a TIP that is in reasonable fiscal constraint

**NOW THEREFORE BE IT RESOLVED**, that the Board of Directors of the Miami Valley Regional Planning Commission hereby adopts **Amendment #19** to the SFY2021-SFY2024 Transportation Improvement Program as shown on the attached TIP Tables.

## MEMORANDUM

**To:** Technical Advisory Committee, Board of Directors

**From:** MVRPC Staff

**Date:** May 12, 2022

**Subject:** Adoption of Resolution Supporting the Infrastructure Investment and Jobs Act Performance Management Targets

The Infrastructure Investment and Jobs Act (IIJA) continues to place emphasis on the performance management approach first specified in the Moving Ahead for Progress in the 21<sup>st</sup> Century Act (MAP-21). It requires state DOTs, transit agencies, and MPOs to establish performance and outcome-based programs in several national priority areas.

While the various rules have different deadlines, generally, after a State DOT adopts targets for a particular rule, MPOs have 180 days from the date targets are established by a State to adopt their own targets or support the State's. The MPO deadline for adopting targets for the second performance period (2022-2026) regarding pavement, bridges, travel time reliability, freight travel time reliability, CMAQ emission reductions, peak hour excessive delay, and non-single occupancy travel is August 19, 2022. MVRPC has decided to support the State's targets for all applicable measures.

Exhibit 1 summarizes measures and targets regarding pavement, bridges, travel time reliability, freight travel time reliability, CMAQ emission reductions, peak hour excessive delay, and non-single occupancy travel. Measures described in Exhibit 1 generally apply to the National Highway System only and are adopted every four years.

A resolution to support the IIJA performance management targets as established by ODOT is attached and staff recommends its adoption.

**Attachments:**

1. Summary of pavement, bridges, reliability, CMAQ, peak hour delay, and non-sov performance measures.
2. Resolution Supporting the IIJA Performance Management Targets

**Exhibit 1: Summary of Pavement, Bridge, Reliability, CMAQ, Peak Hour Delay, and Non-SOV Performance Measures.**

\* Does not meet State's target for the measure

## RESOLUTION SUPPORTING THE INFRASTRUCTURE INVESTMENT AND JOBS ACT PERFORMANCE MANAGEMENT TARGETS

**WHEREAS**, the Miami Valley Regional Planning Commission is designated as the Metropolitan Planning Organization (MPO) by the Governor acting through the Ohio Department of Transportation in cooperation with locally elected officials for Greene, Miami, and Montgomery Counties including the jurisdictions of Franklin, Carlisle, Springboro and Franklin Township in Warren County; and

**WHEREAS**, the MVRPC's Board of Directors serves as the policy and decision making body through which local governments guide the MPO's transportation planning for the Dayton Metropolitan Area; and

**WHEREAS**, the Moving Ahead for Progress in the 21st Century Act (MAP-21) required State Departments of Transportation (DOTs) and MPOs to set targets for pavement, bridges, travel time reliability, freight travel time reliability, CMAQ emission reductions, peak hour excessive delay, and non-single occupancy travel, and the Infrastructure Investment and Jobs Act (IIJA) reaffirms this requirement; and

**WHEREAS**, the Ohio Department of Transportation had to report annual targets for pavement, bridges, travel time reliability, freight travel time reliability, CMAQ emission reductions, peak hour excessive delay, and non-single occupancy travel by February 19<sup>th</sup>, 2022; and

**WHEREAS**, MPOs have 180 days to set targets following the above mentioned deadlines; and

**WHEREAS**, MVRPC working with the Ohio Department of Transportation (ODOT) has chosen to support ODOT's targets.

**NOW, THEREFORE, BE IT RESOLVED**, that the Board of Directors of the Miami Valley Regional Planning Commission hereby supports ODOT's performance management targets as outlined in Exhibits 1 and agrees to plan and program projects that contribute to the achievement of such targets.

## MEMORANDUM

**To:** Miami Valley Regional Planning Commission Board of Directors

**From:** Brian O. Martin, AICP, Executive Director

**Date:** June 2, 2022

**Subject: Resolution in Opposition to Proposed Federal and State Legislation to Suspend Motor Fuel User Fees**

The Board of Directors is asked to consider this resolution opposing proposed Federal and State Legislation to suspend motor fuel user fees.

Concerns over rising gasoline and diesel fuel prices have prompted legislators to propose temporary suspension of certain motor fuel user fees, including gas taxes. At the federal level, legislation has been introduced in Congress to temporarily suspend the 18.4 cents per gallon federal gasoline tax. In Ohio, legislation (SB 277) has been introduced to suspend for five years portion of Ohio's gasoline and diesel user fees including the 10.5 cents/gallon increase for gasoline passed in 2019.

Legislators sponsoring these bills point to the negative impact of recent higher gasoline prices on consumers. In addition, they cite the recently enacted federal Infrastructure Investment and Jobs Act (IIJA), also known as the Bipartisan Infrastructure Law (BIL) which will increase federal funding for the nation's transportation programs over the next five years.

MVRPC opposes these proposals to suspend user fees for several reasons. At the federal level, it should be pointed out that the 2021 IIJA is mostly funded by the Highway Trust Fund, which receives revenue from the federal gas tax and is already underfunded due to increased vehicle fuel efficiency and inflation. Based on Congressional Budget Office estimates, the proposed ten-month suspension of the federal gas tax could deprive the Highway Trust Fund of over \$20 billion intended for surface transportation projects through the IIJA. Any such suspension would seriously undermine the new infrastructure funding by threatening its funding streams and jeopardizing full implementation.

At the state level, SB 277 would temporarily reduce the motor fuel excise tax to 28 cents/gallon for both gasoline and diesel fuel, from the current 38.5 cents/gallon for gasoline and 47 cents/gallon for diesel. The rate reduction would begin on July 1, 2022, or the first day of the first month after the reduction's effective date, whichever is later. MVRPC opposes this legislation and supports maintaining Ohio's gasoline and diesel fuel tax rates at their current levels as enacted in SB 62.

While some have pointed to the IIJA as justification for temporarily suspending the increases enacted in 2019, the new federal law actually supports the need to maintain these additional

state revenues. First, IIJA provides little, if any, funding to help local communities struggling to pay for basic repair and maintenance of local roads that are not part of the federal aid highway system. Second, the state will need to find more state dollars to provide the required state match for many federal funding opportunities created by the law. Ohio motor fuel tax dollars are needed now more than ever.

Also, it should be pointed out that motor fuel taxes are imposed and collected at the wholesale level, rather than on individual consumer transactions at the pump. For that reason, it's entirely unclear whether any gas tax suspension would be passed along to consumers at the pump. Past studies have shown that previous gas tax relief has had little impact on prices at the pump. In other words, these bills to suspend the gas tax might not provide any real relief to consumers, while eroding important sources of funding for our maintenance and repair of our transportation system for the long term and costing consumers more in vehicle repairs.

## RESOLUTION IN OPPOSITION TO PROPOSED FEDERAL AND STATE LEGISLATION TO SUSPEND MOTOR FUEL USER FEES

**WHEREAS**, the Miami Valley Regional Planning Commission is designated as the Metropolitan Planning Organization (MPO) by the Governor acting through the Ohio Department of Transportation in cooperation with locally elected officials for Greene, Miami, and Montgomery Counties including the jurisdictions of Franklin, Carlisle, Springboro and Franklin Township in Warren County; and

**WHEREAS**, the MVRPC Board of Directors serves as the policy and decision making body through which local governments guide transportation planning for the Dayton Metropolitan Area; and

**WHEREAS**, Congress and President Biden demonstrated leadership in 2021 by enacting the Infrastructure Investment and Jobs Act (IIJA), increasing funding for the nation's surface transportation programs and providing much needed investments in basic infrastructure to reduce maintenance backlogs and meet the demands of the 21<sup>st</sup> Century; and

**WHEREAS**, the IIJA is funded primarily by the Highway Trust Fund, which receives revenue from the 18.5 cents/gallon federal gas tax, of which a proposed ten month suspension could deprive the Highway Trust Fund of over \$20 billion and seriously undermine implementation of the new infrastructure law and limit maintenance of the system;

**WHEREAS**, Ohio Governor Mike DeWine and the Ohio Legislature demonstrated leadership in 2019 by enacting a SFY 2020-2021 transportation budget that increased the state motor fuel user fee by 10.5 cents, to 38.5 cents per gallon, and increased the diesel fuel user fee by 10 cents to 46 cents per gallon; and

**WHEREAS**, Ohio's 2019 user fee increase currently generates much needed revenue that will allow the State of Ohio to match new funding opportunities through the IIJA in order to draw down federal dollars for our Ohio; and

**WHEREAS**, MVRPC strongly supports the concept of transportation funding by user fees – asking those who use the transportation network to pay for maintenance and enhancement which provides predictability for state and local transportation revenues; and

**WHEREAS**, it is not guaranteed that suspending motor fuel user fees would benefit consumers at the gas pump, due to the fact that fuel taxes are imposed and collected at the wholesale level rather than on individual consumer transactions at the pump, and may erode transportation revenue sources without providing relief to consumers; and

**NOW, THEREFORE, BE IT RESOLVED**, MVRPC opposes federal and state legislation to temporarily suspend or reduce motor fuel user fees that fund local, state and federal

transportation networks and the Executive Director is authorized to transmit certified copies of this resolution to members of the Ohio and Federal legislatures and other interested organizations.

# EXECUTIVE DIRECTOR'S UPDATE

From Brian O. Martin, AICP  
mvrpc.org

June 2, 2022

## StreetLight Data – Big Data for Mobility - Accessible to MVRPC Members Starting July 1

Beginning July 1, 2022, all MVRPC member jurisdictions will have access to StreetLight Data products usually valuable to improving traffic studies. Please follow this link to learn more <https://www.streetlightdata.com/who-we-are-streetlight-data/>.

In summary, StreetLight Data is location data collected from GPS and mobile phone applications. This information can be used to determine origin destination travel patterns. The data can be useful in transportation project development and planning applications used in Ohio. If you would like to expedite the process to setup a StreetLight Data account, please e-mail Ana Ramirez [aramirez@mvrpc.org](mailto:aramirez@mvrpc.org) with your contact information.

## Miami Valley Regional Broadband and Digital Equity Forum

Thank you to the presenters and attendees who participated in the Miami Valley Regional Broadband and Digital Equity Forum hosted by the Institute for Livable & Equitable Communities at the Miami Valley Regional Planning Commission. Held at Sinclair Community College, the event convened the brightest minds and most passionate advocates from a cross-section of our communities who are working to address our region's broadband access, affordability and adoption needs.

## Livable & Age-Friendly Communities On Display During the APA National Conference

In early May, MVRPC's Livable & Age-Friendly Communities efforts were on display during the American Planning Association's 2022 National Planning Conference held in San Diego, California. Leigh Sempeles, the Del Mar Encore Fellow hosted by MVRPC, joined Noreen Willhelm from The Dayton Foundation and Jana

Schwartz from San Diego County to lead the presentation. The presentation discussed all of the great work going on here in the Miami Valley including the recently awarded grants to cities to become Age Friendly Communities, formation of the Institute for Livable and Equitable Communities, and our Regional Equity Initiative. This work is unique to the Miami Valley because we are connecting age friendly work being led nationally by

AARP with local social equity projects as led by the MVRPC Regional Equity Initiative. We receive great round of questions and comments about our initiative. Congratulations Leigh and Noreen and thank you for representing The Dayton Foundation, MVRPC and the Miami Valley Region during this national conference.

## MVRPC Hosts its First PLAN4Health – Miami Valley Workshop

As a part of the PLAN4Health – Miami Valley Initiative, MVRPC hosted a workshop on May 17, 2022. The workshop convened nearly 30 planners and public health professionals from across the region to review and discuss findings on current conditions in the Miami Valley. The workshop provided an opportunity for planners and public health professionals to meet one another and identify ways to collaborate to improve health outcomes for our residents and communities. Additional workshops will be scheduled in the future to communicate information and outcomes for PLAN4Health – Miami Valley Initiative.

Launched in spring of 2021, MVRPC's PLAN4Health – Miami Valley Initiative, explores how community or regional planning can impact health outcomes. It is a multi-year effort with a focus on projects and programs intended to:

- Promote and advocate for "Health in All Plans and Policies."
- Convene and engage partners to improve conditions that are known to be key determinants of health.
- Advance planning efforts aimed at creating conditions for healthy people and communities.

PLAN4Health – Miami Valley builds on work that has been done at the national level through the American Planning Association and the American Public Health Association. A set of concrete projects that are geared towards information sharing, capacity building, and generating collaborative solutions are slated for near-, mid-, and long-term implementation.

To review the Health Environment Assessment, the first project of the PLAN4Health - Miami Valley Initiative, please visit this link: <https://tinyurl.com/yetn7zy7>. For questions or to learn more about PLAN4Health – Miami Valley initiative, visit <https://www.mvrpc.org/regional-planning/plan4health-miami-valley> or contact Mr. Martin Kim, Director of Community and Regional Planning for MVRPC. ## Project to close a portion of State Route 48 in Miami County now through October

MVRPC created [MiamiValleyRoads.org](https://miami-valley-roads.org) to provide updates on major construction projects that could impact commutes throughout the Region. It also provides user-friendly access to route planning tools, commute solutions and other ideas to reduce congestion and prevent air pollution for the areas under construction.

In Miami County, crews will be reconstructing portions of SR 48 resulting in detours through Saturday, October 1. SR 48, also known as High Street in Covington, will close between SR 36 and Dodd St. (yellow lines). The southbound detour is SR 36 to SR 721 to SR 718 to SR 48 and the northbound detour is SR 718 to SR 721 to SR 36 to SR 48.

The intersection of SR 48 and SR 41 or East Troy Pike (green dot) will also be under construction through Saturday, October 1. The project will close the intersection. The southbound detour is SR 36 to I-75 SB to SR 41 and the northbound detour is I-75 NB to SR 36.

For a complete list of major construction projects provided by ODOT District 7 and 8 for the Region, visit [MiamiValleyRoads.org](https://miami-valley-roads.org). Follow MVRPC's [Facebook](#) and [Twitter](#) pages for project update posts.

## Grants & Funding Resources

On a monthly basis MVRPC is highlighting several funding opportunities for eligible cities, counties, and townships on our website that could benefit communities in the Region. We include a description, contact information and program links. We have also listed other valuable resources for finding funding opportunities for our regional jurisdictions and organizations. See more at: [mvrpc.org/grant-and-funding-opportunities](https://mvrpc.org/grant-and-funding-opportunities)

This month we are featuring information on:

- Choice Neighborhoods Planning Grants– Deadline: July 28, 2022
- Middle Mile Grant Program– Deadline: September 30, 2022

If you have any questions, please contact Kathryn Youra Polk at [kyourapolk@mvrpc.org](mailto:kyourapolk@mvrpc.org).

## MiamiValleyGovJobs.org

MiamiValleyGovJobs.org is a one-stop website for candidates seeking positions with a public agency in the Miami Valley. This service is provided to MVRPC member organizations and partners at no cost. Posting your positions on [MiamiValleyGovJobs.Org](https://miami-valley-gov-jobs.org) increases visibility of your positions and expands your candidate pool.

Each job post will be displayed with your organization's logo and a link to your website where candidates can find more information. To post a position with your organization, please email your posting to [JobBoard@MVRPC.Org](mailto:JobBoard@MVRPC.Org).

## Upcoming MVRPC Meetings in June 2022

Please check the agency calendar on [www.mvrpc.org](http://www.mvrpc.org) or contact Savannah Diamond at [sdiamond@mvrpc.org](mailto:sdiamond@mvrpc.org) for the status of your meeting.
