

RETREET PROGRAM

KEEP AMERICA BEAUTIFUL®

- The Miami Valley TREEcovery Campaign, led by Keep America Beautiful through their RETREET program, is a multi-year disaster recovery effort to heal the landscape devastated by the tornadoes.
- Owners of residential properties in the Miami Valley that were impacted by the tornadoes can visit <u>www.retreet.org/mvtc</u> to complete a simple online form to request that free trees be planted for them.
- Two plantings have been held to date
 - October 2021
 - April 2022
 - 174 trees have been planted so far
- Next planting will be October 22, 2022

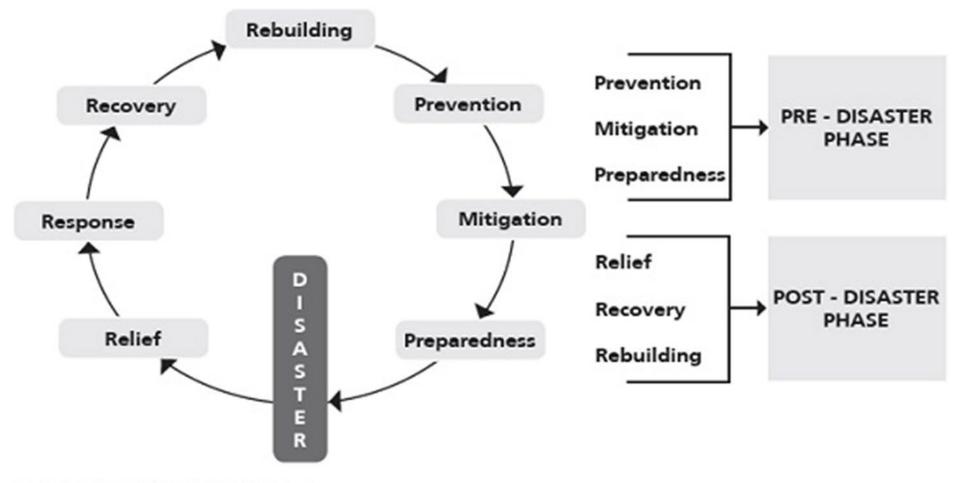

COMMUNITY RECOVERY PROJECT AWARDS

COMMUNITY / PARTNER	PROJECT	GDDRF AWARD
Five Rivers MetroParks	Foxton Court Demo	\$200,000—1 st Round
Harrison Township	Neff Road Demo	\$17,200—2 nd Round
City of Beavercreek	Park Restoration	\$108,191—2 nd Round

REGIONAL RESILIENCY PLANNING

National Disaster Recovery Framework

Second Edition June 2016

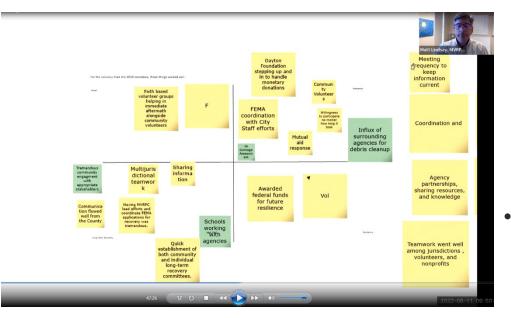

Recovery Support Functions

Community Planning & Capacity Building	Unifies and coordinates expertise and assistance programs between both governmental as well as non-government partners to ensure engagement of the whole community in planning and managing recovery.
Economic Recovery	Helps levels of government and the private sector sustain or rebuild businesses and employment.
Health & Social Services	Supports recovery in public health, health care facilities and coalitions, and essential social services.
Housing	Coordinates resources for adequate, affordable, equitable, and accessible housing to support the whole community.
Infrastructure Systems	Helps restore infrastructure systems and services, and improves resilience for future hazards.
Natural & Cultural Resources	Works to protect and restore natural and cultural resources and historic properties.

REGIONAL RESILIENCY PLANNING

- Planning Underway:
 - August 11th held first Regional Resiliency Planning Workshop
 - Reviewed need for preparedness planning & received feedback from jurisdictions & community partners on 2019 tornadoes
- Next Step:
 - to conduct SOAR (Strengths, Opportunities, Aspirations, Risks)
 Analysis with smaller planning groups based on Recovery
 Support Functions

DEVELOPMENT OF A REGIONAL COAD

- Community Organizations Active in Disasters (COAD) is a national best practice for emergency preparedness.
- A COAD is a local group of community organizations that coordinate emergency human services.
- Previously, the MVLTROG served as the COAD for the 2019 Memorial Day Tornadoes.
- MVRPC is coordinating with community partners to establish a COAD in the Miami Valley as part of our resiliency planning efforts.

FINANCE (Dayton Foundation)	REBUILD & REPAIR (LSS)	DISASTER CASE MANAGEMENT (CSS)	
Financial Asset Map	Repair & Rebuild Construction Estimates	Intake and Referral	
	Project Coordination	Develop Recovery Plans Coordinate w/ Recovery	
	Material acquisitions and distribution	Partners in Delivery of Services and Resources

disaster case managers	Warehousing	Assign / Schedule	
Canvas for unmet needs	Distribution	Hospitality & Debrief	

What do you feel we need to capture as we begin to document a resiliency plan?

DISASTER RECOVERY LEADERSHIP BOARD TRANSITION PLAN

MIAMI VALLEY LONG TERM DISASTER RECOVERY

The Miami Valley will build a comprehensive, coordinated long term disaster recovery system using the National Disaster Recovery Framework (NDRF) to serve all impacted counties. The NDRF provides guidance to enable recovery by defining recommended roles, responsibilities, coordination and planning among all jurisdictions. Based on decades of disaster response best practices, it focuses on how to restore, redevelop and revitalize the health, social, physical, economic, natural and environmental fabric of community and build resiliency for the future.
