TORNADO RECOVERY

The 19 tornadoes that struck Ohio on Memorial Day 2019 devastated thousands of lives, homes, and businesses. Nearly 6,000 homes were damaged, and of these, over 1,100 had major damage or were destroyed. The majority of these properties were in Harrison Township, Trotwood, Northridge, Old North Dayton, Brookville, Beavercreek, and Celina. As we move into the next phase of community recovery, we wanted to thank the community for their time, talents, and resources.
