

BRING YOUR GREEN!

MIAMI VALLEY

Join hundreds of Miami Valley businesses and organizations, reduce your environmental impact, save on your energy and resources and

GREEN YOUR BUSINESS

GREEN CHECKLIST

Become **Green Certified** by complying with some mandatory requirements and taking basic green measures from a broad range of actions.

[Click here](#) to know what's involved before you start !

TRACK YOUR PROGRESSJOIN THE FUN

Once you're **Green Certified**, you will have access to an online platform to easily benchmark and track your progress if you choose. Use free energy, water and waste tracking tools

Take Bring Your Green (**BYG**) challenges from May through March and see how you stack up against your peers on the leaderboard as you receive points and badges.

CELEBRATE!

Celebrate what we are able to accomplish together at the Awards Ceremony with food, cash prizes and good company.

Note, DP&L prefers a trophy for celebrate

Add a New
Application

What it is.....

A friendly yearlong contest for government buildings, schools, commercial property owners/managers and office tenants to reduce costs while reducing greenhouse gas emissions and resources used.

AVAILABLE ONLY TO GREEN CERTIFIED BUSINESSES!

BringYourGreen.com

Automated, easy to use...

Everything will be automated, just fill in a few fields

DISCLAIMER

Acceptance into the Program is dependent on DP&L approval of the Scope of Work and cost proposal. Acceptance into the Program does not guarantee approval of the energy audit report. The Applicant must meet all Program rules to receive incentive funds from the Program. Dayton Power & Light is not responsible for work performed by third parties. (LYLE???)

FACILITY'S DESCRIPTION:

(take fields from <http://www.drg3.org/energy/Forms/Facility%20Data%20Form.pdf>. Some can be automatically filled from the Energy Rating Tool- discuss in meeting)

What is FTE?

This stands for Full Time Employees. For example, a business might have one employee that works full time (1.0) and two employees that work half time (4 hours each) for a total of 2 FTEs.

Green certified businesses are eligible for DP&L enhanced rebates! View more [at this link](#)

(note, link to slide 11 of TOP LINKS presentation)
