The Miami Valley Regional Planning Commission Board of Directors met on May 1, 2025 at 9:00 a.m. at Dayton Realtors, 1515 S. Main Street, Dayton, OH 45409. All members and news media were notified of the meeting pursuant to the Sunshine Law.

**I. INTRODUCTIONS**

Chairperson Lommatzsch called the meeting to order at 9:00 a.m. Self-introductions were made and a quorum was confirmed for the Miami Valley Regional Planning Commission's Board of Directors meeting. The Pledge of Allegiance was recited.

## **II. APPROVAL OF APRIL 3, 2025 MEETING MINUTES**

Mr. Bruns made a motion to approve the minutes from the April 3, 2025 Board meeting. Mr. Stroud seconded the motion. The motion passed unanimously.

## **III. PUBLIC COMMENT PERIOD ON ACTION ITEMS**

None.

## **IV. RPC (REGIONAL PLANNING COMMISSION) ACTION ITEMS**

### **A. Resolution 25-15: Approving the SFY 2026 Budget and Work Program**

Mr. Lucas presented the Final SFY 2026 Budget and Work Program. He discussed Schedules A-G, giving a brief summary of each table. Mr. Lucas then highlighted key changes and updates and noted the Agency's overall budget for FY26 is smaller than FY25, primarily due to the completion of the EDA Disaster Recovery and Resiliency grants, which reduced Federal grant revenue. He also stated that personnel costs are slightly higher as the Agency is nearly fully staffed, and there are slight increases in fringe benefits and indirect cost rates. He then stated that the Transportation budget remains stable, with CPG revenue returning to IJJA levels and new federal funding for SS4A plan development. IT equipment costs continue to rise, but the Capital Budget is lower due to the completion of the office move to 6 N. Main Street. Lastly, he opened the floor for questions and stated that staff recommend approval of the SFY 2026 Final Budget and Work Program and authorize its submission to grantor agencies.

Mr. Bruns made the motion to approve the submission of the SFY 2026 Final Budget and Work Program. Mr. Ruzinsky seconded the motion. The motion passed unanimously.

### **B. Resolution 25-14: Approving the Recommendation to The Dayton Foundation to Fund the 2025 Livable, Age-Friendly Communities Grant**

Ms. King presented the grant proposals from three communities as part of the Regional Livable and Age-Friendly Communities Cohort. The City of Brookville requested \$10,000 to enhance social participation programs including Age-Friendly Lunch and Learn events and facility improvements. The City of Centerville requested \$6,500 to improve digital accessibility of its new city website and provide accessibility training for staff. The City of Huber Heights requested \$10,000 to expand its Strength and Longevity Scholarship at the Senior Center, providing YMCA memberships for seniors not eligible for Silver Sneakers. Lastly, Ms. King stated that staff and the Institute for Livable and Equitable Communities Steering Committee (ISC) recommend approval to forward the 2025 Livable, Age-Friendly Communities grant award recommendations to The Dayton Foundation.

Mr. Housh made the motion to forward the 2025 Livable, Age-Friendly Communities grant award recommendations to The Dayton Foundation. Ms. Page seconded the motion. The motion passed unanimously.

## **V. RTPO (REGIONAL TRANSPORTATION PLANNING ORGRANIZATION) ACTION ITEMS**

### **A. Resolution 25-09: Adopting the Darke-Preble-Shelby SFY 2026-2029 Regional Transportation Improvement Program**

Ms. Ramirez presented the Final SFY2026-2029 Regional Transportation Improvement Program (RTIP) for Board review. She explained that the RTIP is a comprehensive,

financially-constrained list of regional transportation projects and services to be implemented within the four-year STIP period. It was developed through a coordinated planning process involving the Darke-Preble-Shelby RTPO, the State of Ohio, and local jurisdictions, aligning with the goals of the DPS 2050 Regional Transportation Plan. The RTIP covers projects across all modes of transportation, including highways, public transit, bikeways, and pedestrian facilities. Staff held a public involvement meeting on March 25th, and no public comments were received. Lastly, Ms. Ramirez stated that staff and the Regional Transportation Planning Organization (RTPO) recommend approving MVRPC's Final SFY 2026-2029 RTIP.

Mr. Barhorst made a motion to approve MVRPC's Final SFY 2026-2029 RTIP. Mr. Bowers seconded the motion. The motion passed unanimously.

## **VI. MPO (METROPOLITAN PLANNING ORGANIZATION) ACTION ITEMS**

### **A. Resolution 25-11: Requesting a New Conformity Finding for the Existing 2050 Long Range Transportation Plan**

Ms. Ramirez presented the SFY 2025 conformity finding request for the 2050 Long Range Transportation Plan (LRTP). She explained that MVRPC is preparing for a full update of the 2050 LRTP in SFY 2026 as required by federal regulations, ensuring alignment with current and forecasted transportation and land use conditions. She then stated that socio-economic data has been adjusted to 2020 Census values, and no significant changes to regional travel forecasts are expected. All regionally significant projects in the SFY 2026-2029 TIP are accounted for in the 2050 LRTP, with 2050 remaining the horizon year. Lastly, Ms. Ramirez stated that to comply with federal air quality regulations, a conformity determination is being advanced for the existing plan. Upon Board approval, the resolution will be sent to U.S. DOT and U.S. EPA for formal review.

Mr. Ruzinsky made a motion to approve the request for a new conformity finding for the existing 2050 Long Range Transportation Plan. Mr. Stroud seconded the motion. The motion passed unanimously.

### **B. Resolution 25-12: Adopting the Final SFY2026-2029 Transportation Improvement Program (TIP)**

Mr. Arnold presented the Final SFY2026-2029 Transportation Improvement Program (TIP) as required by the Federal Highway Administration (FHWA) and Federal Transit Administration (FTA) planning regulations. He explained that the TIP was developed through coordination with local jurisdictions, transit operators, and ODOT, and includes projects covering highway, bikeway, transit, and other infrastructure across Greene, Miami, and Montgomery counties, as well as certain jurisdictions in Warren County. A public involvement meeting was held on March 27, 2025, with no public comments received. Mr. Arnold then outlined the project tables for each section. Lastly, Mr. Arnold stated that staff and the Technical Advisory Committee recommend approving MVRPC's Final SFY 2026-2029 TIP.

Mr. Housh made a motion to approve MVRPC's Final SFY 2026-2029 TIP. Mr. Bales seconded the motion. The motion passed unanimously.

### **C. Resolution 25-13: Recommended Adoption of the Annual Self Certification of the Metropolitan Transportation Planning Process**

Mr. Arnold provided information regarding the annual self-certification of the metropolitan transportation planning process. He explained that concurrent with the submittal of the

Transportation Improvement Program (TIP), MPOs are required to adopt a resolution of self-certification of the metropolitan transportation planning process and that the resolution states that MVRPC is following the processes and procedures that are set forth by the Federal and State Governments. He then stated that staff and the Technical Advisory Committee recommend approval to adopt the annual self-certification of the metropolitan transportation planning process.

Mr. Bruns made a motion to adopt the Annual Self-Certification of the Metropolitan Transportation Planning Process. Mr. Moeller seconded the motion. The motion passed unanimously.

## **VII. INFORMATION ITEMS**

### **A. TRAC Solicitation Update for Considering Major New Capacity Projects**

Mr. Daniel provided information regarding the upcoming TRAC project solicitation. He stated that the solicitation will begin May 1, 2025 and applications are due to MVRPC by May 30th. MVRPC will work in coordination with ODOT to acknowledge and review all TRAC applications for the current solicitation cycle. Lastly, Mr. Daniel shared information regarding the policies and procedures for considering major new capacity projects.

### **B. Going Places Implementation Tools Progress Update**

Mr. Kim provided a progress update on the PLAN4Health Miami Valley initiative, highlighting its alignment with four of the eleven [Going Places Implementation Tools](#). He stated that MVRPC's PLAN4Health – Miami Valley Initiative, was launched in spring of 2021, and aims to explore how planning can impact health outcomes across the Region. The goals of the program are to: promote and advocate for health in all plans and policies, convene and engage partners to improve conditions that are known to be key determinants of health, and advance planning efforts aimed at creating conditions for healthy people and communities.

Mr. Kim explained the importance of healthy food options and provided an overview of the [Regional Food System](#). He then shared data from the food systems, food assets, food security and food access noting that our development choices impact our food environment and health outcomes. Mr. Kim then provided reference links to the materials presented and then opened the floor for questions. He discussed that the short-term next steps are to provide more healthy options such as a farmers' market and community gardens. Long-term next steps are to discuss, encourage, and prepare plans with health included in the planning process. He explained that health has not been a part of the planning process for comprehensive land use plans and this is a great enhancement.

Mr. Kim announced a new service for MVRPC members "[Advancing Active Living Workshop Series](#)", a free workshop tailored to each member communities' unique needs.

## **VIII. EXECUTIVE DIRECTOR'S REPORT**

### **A. Executive Director's Update**

Mr. Martin reviewed the [May ED's Update](#):

- MVRPC Offers a New "Advancing Active Living in your Community" Workshop
- MVRPC Attends Preble County EMA Recovery Steering Committee
- Meet Our Newest MVRPC Staff Member: Bryce Gullett, Agency Operations Technician
- Grants and Funding Resources/Upcoming Meetings and Events

**IX. ADJOURNMENT**

Chairperson Lommatzsch adjourned the meeting at 10:28 a.m.

## MEMORANDUM

**To:** RTPO Steering Committee and Board of Directors

**From:** MVRPC Staff

**Date:** April 9, 2025

**Subject:** Endorsement of the 2020 Functional Classification Modifications

In October 2024, the 2020 update to the urbanized area transportation boundaries were finalized in Ohio. This was the first step in the process of updating the functional classification of roadways within the DPS RTPO area.

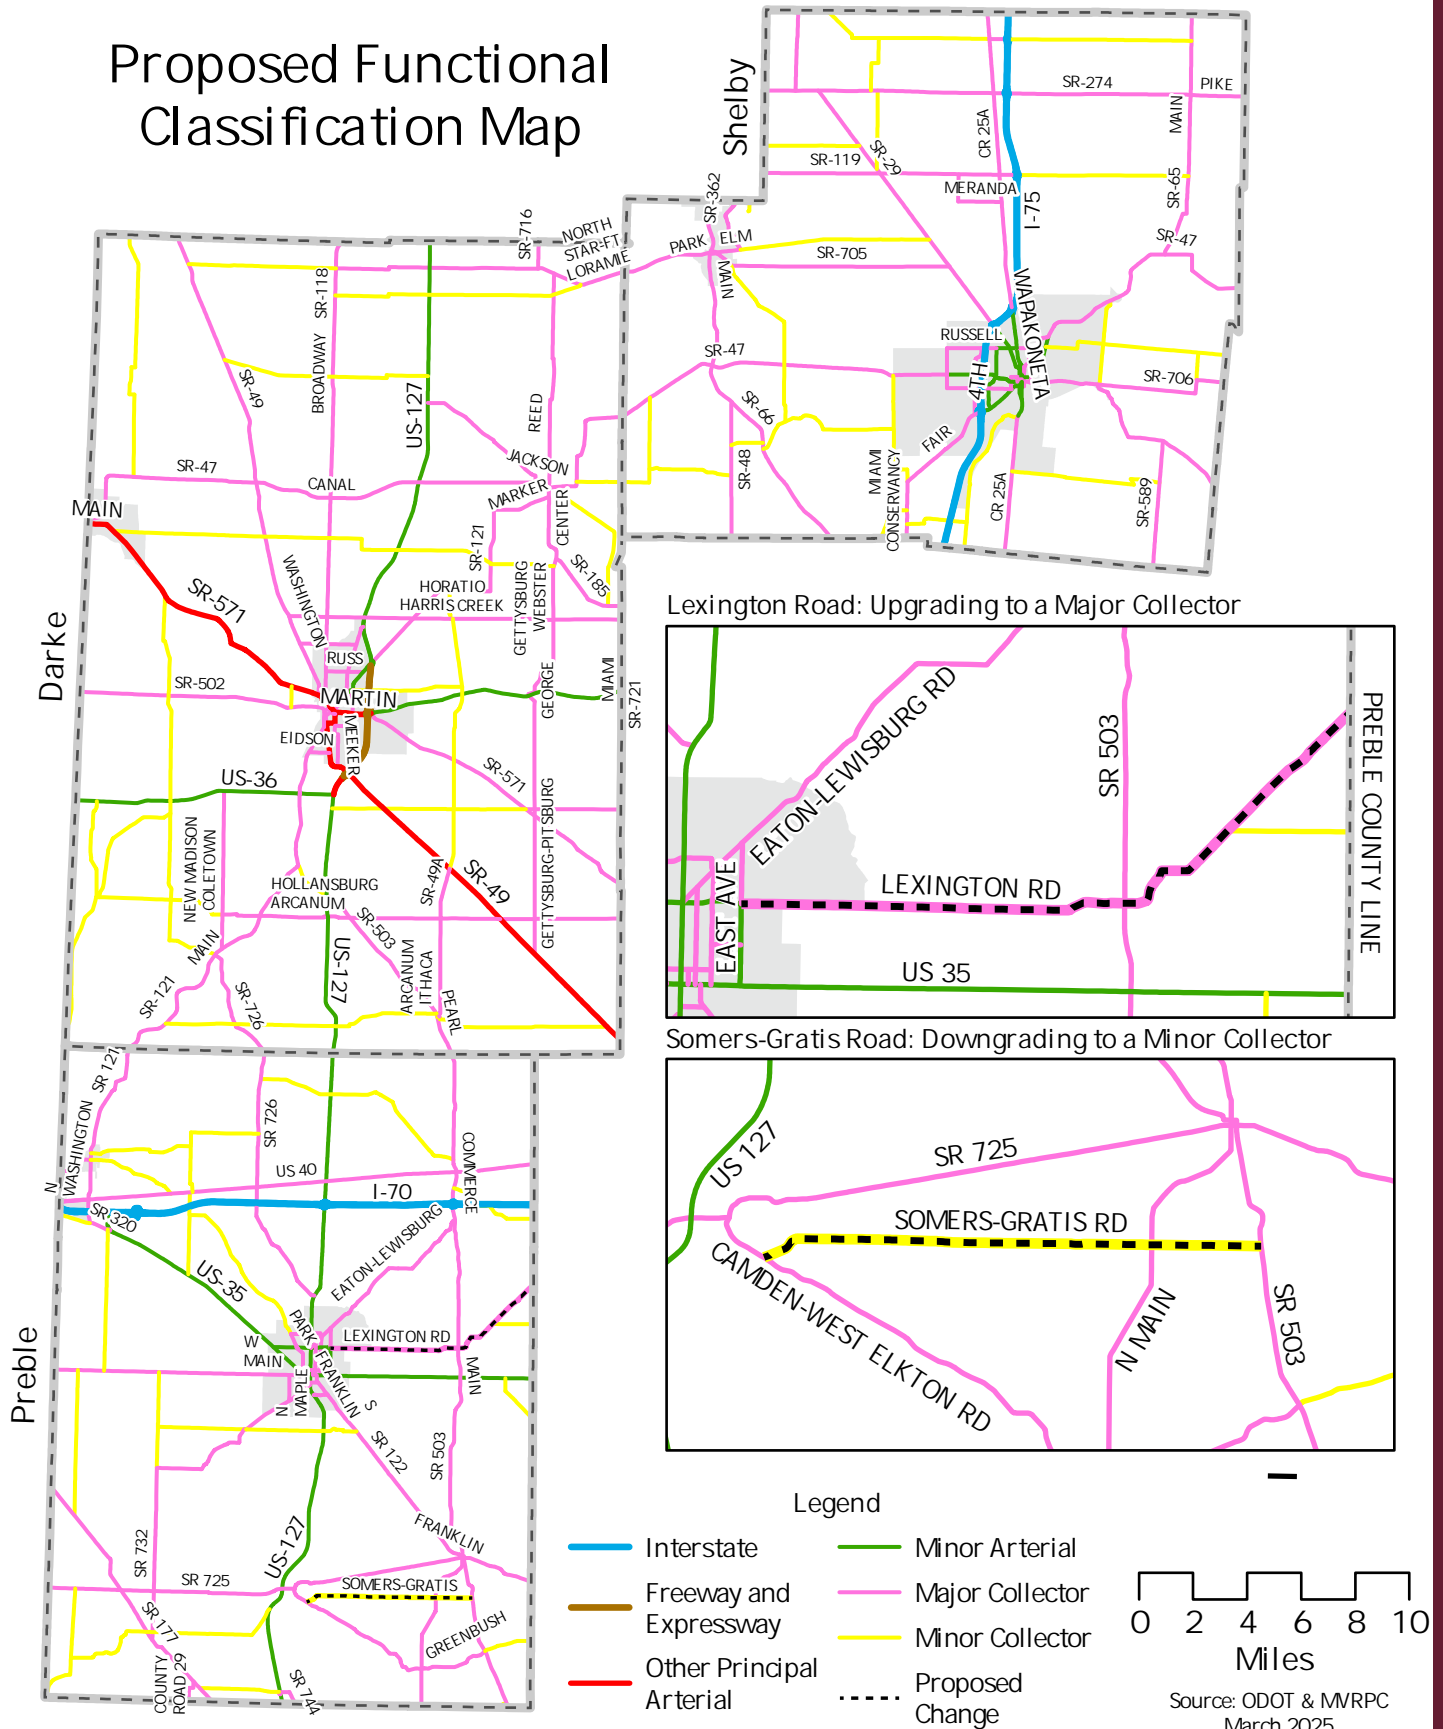

MVRPC staff worked with ODOT and local jurisdictions in February and March to review and update the functional classification of roads. The results can be seen in the attached map.

A resolution to endorse the 2020 functional classification modifications is attached and staff recommends its endorsement by the DPS Board of Directors. Following Board endorsement, changes will be forwarded to ODOT for submittal to the FHWA.

## RESOLUTION 25-10 ENDORISING REVISIONS TO THE 2020 FEDERAL-AID ROADWAY FUNCTIONAL CLASSIFICATION IN THE DPS RTPO

**WHEREAS**, the Darke-Preble-Shelby Regional Transportation Planning Organization (DPS RTPO) is designated as the Regional Transportation Planning Organization (RTPO) by the Governor for Darke, Preble, and Shelby counties; and

**WHEREAS**, the DPS RTPO Policy Board serves as the policy and decision-making body through which local governments conduct the DPS RTPO transportation planning process; and

**WHEREAS**, the Infrastructure Investment and Jobs Act (IIJA) requires the revision of the Functional Classification System; and

**WHEREAS**, the 2020 Census delineation of urban area boundaries necessitated certain revisions to the Federal-Aid Urbanized Area Boundaries within the DPS RTPO planning area; and

**WHEREAS**, the update of existing Federal-Aid Urbanized Area Boundary is the first step in the process to update the Functional Classification System; and

**WHEREAS**, the designation of revised Federal-Aid Roadway Functional Classification is a cooperative effort of the State and locally elected officials and/or designated agencies.

**NOW THEREFORE BE IT RESOLVED**, that the RTPO members of the MVRPC Board of Directors endorse revisions to the 2020 Federal Aid Roadway Functional Classification as shown on the attached map and authorize the Ohio Department of Transportation to submit the same to the Federal Highway Administration for approval.

**BY ACTION OF THE** Darke-Preble-Shelby Regional Transportation Planning Organization Board of Directors.

## MEMORANDUM

**To:** Technical Advisory Committee, Board of Directors

**From:** MVRPC Staff

**Date:** June 5, 2025

**Subject:** Endorsement of the 2020 Functional Classification Update

On February 2024, the MVRPC Board of Directors approved the 2020 update of the Dayton Urbanized Area Transportation Boundary. This was the first step in the process of updating the functional classification of roadways within the MVRPC area.

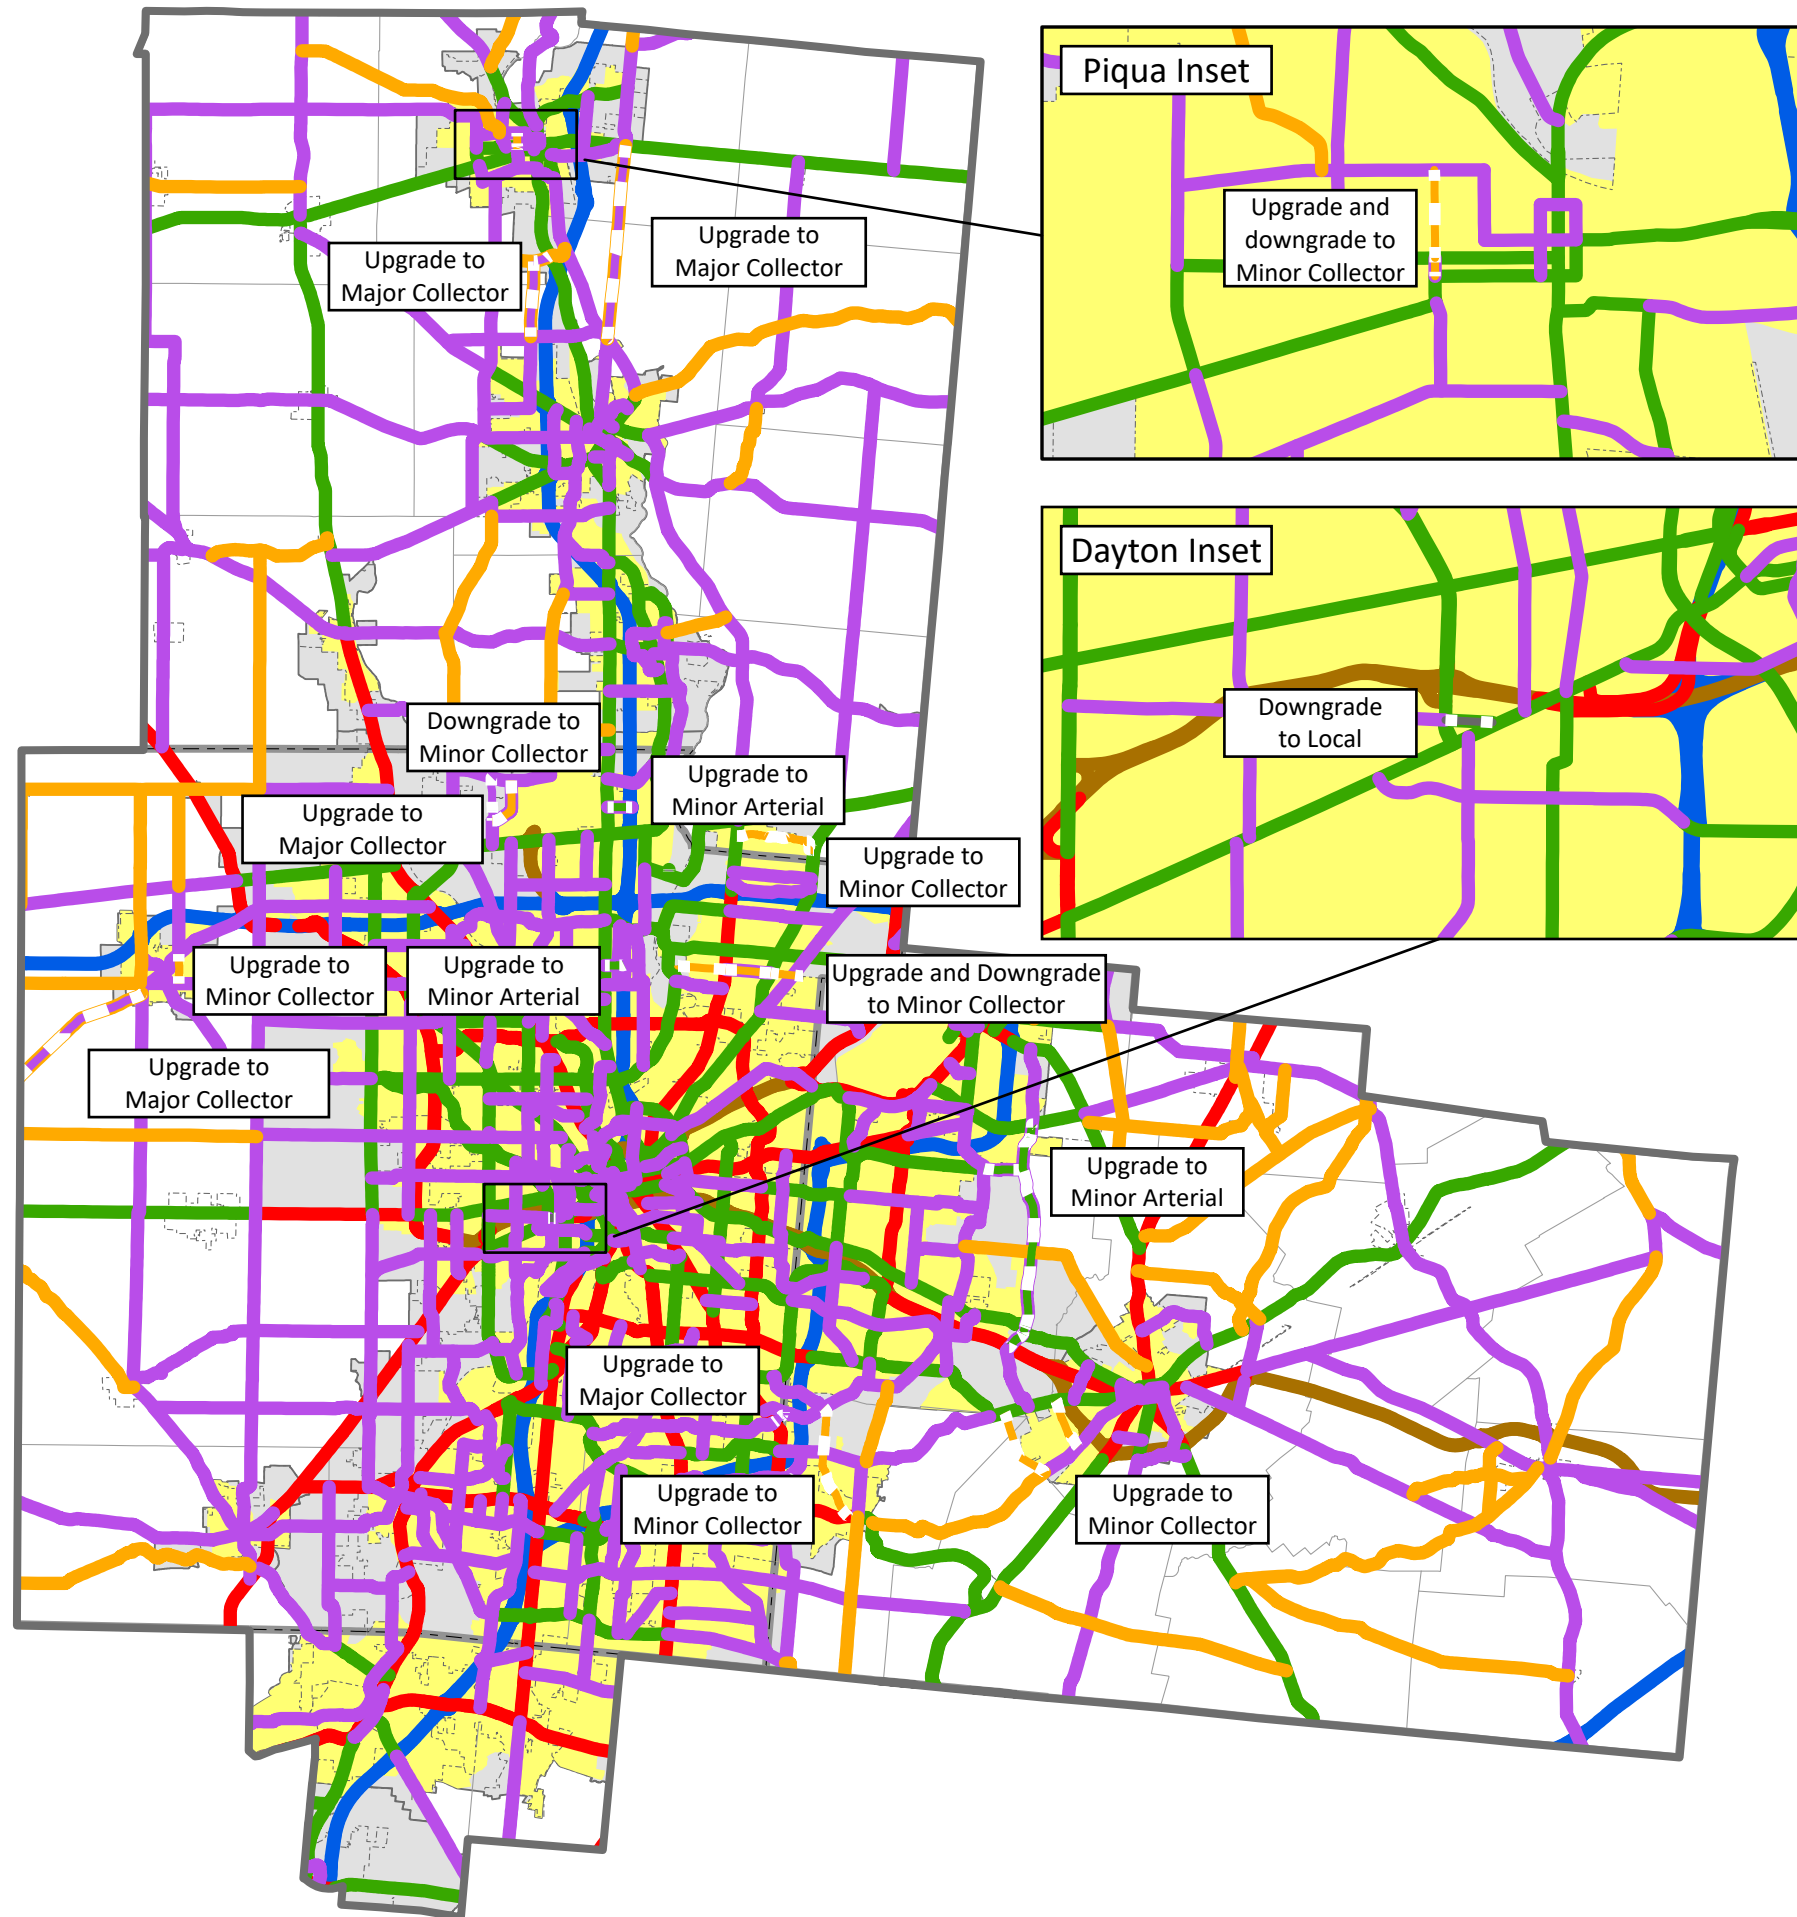

During January-February 2025, MVRPC staff worked with ODOT and local jurisdictions to review and update the functional classification of roads, a draft map was distributed to the April TAC meeting. Based on comments, one additional change was accepted and it is incorporated into the attached map.

A resolution to endorse the 2020 functional classification update is attached and staff recommends its adoption by the MVRPC Board of Directors. Following Board endorsement changes will be forwarded to ODOT for submittal to FHWA.

## RESOLUTION 25-15 ENDORISING REVISIONS TO THE 2020 FEDERAL-AID ROADWAY FUNCTIONAL CLASSIFICATION

**WHEREAS**, the Miami Valley Regional Planning Commission is designated as the Metropolitan Planning Organization (MPO) by the Governor acting through the Ohio Department of Transportation in cooperation with locally elected officials for Greene, Miami, and Montgomery Counties including the jurisdictions of Franklin, Franklin Township, Carlisle, and Springboro in Warren County; and

**WHEREAS**, the MPO members of the MVRPC's Board of Directors serve as the policy and decision making body through which local governments guide the MPO's transportation planning for the Dayton Metropolitan Area; and

**WHEREAS**, the Infrastructure Investment and Jobs Act (IIJA) requires the revision of the Functional Classification System; and

**WHEREAS**, the 2020 Census delineation of urban area boundaries necessitates certain revisions to the Federal-Aid Urbanized Area Boundaries within MVRPC's planning area; and

**WHEREAS**, the update of existing Federal-Aid Urbanized Area Boundary is the first step in the process to update the Functional Classification System; and

**WHEREAS**, the designation of revised Federal-Aid Roadway Functional Classification is a cooperative effort of the State and locally elected officials and/or designated agencies.

**NOW THEREFORE BE IT RESOLVED**, that the MPO members of the Board of Directors of the Miami Valley Regional Planning Commission endorse revisions to the 2020 Federal Aid Roadway Functional Classification as shown on the attached map and authorizes the Ohio Department of Transportation to submit the same to the Federal Highway Administration for approval.

## MEMORANDUM

**To:** Technical Advisory Committee, Board of Directors  
**From:** MVRPC Staff  
**Date:** May 6, 2025  
**Subject:** SFY2026-SFY2029 Transportation Improvement Program (TIP) Amendment #1

Over the last few months MVRPC, ODOT, Miami County Transit and GDRTA have made numerous modifications to the programming documents for various projects resulting in the need for an SFY2026-SFY2029 TIP amendment. The attached TIP Tables 4.1, 4.2, 4.3, 4.4, 5.2, 5.3 and 5.4 reflect the updated information for each specific project. Modifications to Statewide Line Item projects are shown on Table 4.6 and are provided for information only. A TIP terminology explanation chart of key abbreviations used in the highway/bikeway tables precedes Table 4.1. A resolution adopting the proposed TIP amendment is attached for your review and consideration. The MVRPC staff recommends your approval.

### Attachments:

- (1) TIP Abbreviation Table
- (2) Amended MVRPC TIP tables: 4.1, 4.2, 4.3, 4.4, 5.2, 5.3 and 5.4
- (3) Statewide Line Item Project table 4.6 (For information only)
- (4) Resolution Adopting Amendments to the SFY2026-2029 TIP

## EXPLANATION OF ABBREVIATIONS USED IN TABLES 4.1 – 4.8

### **Project I.D. #**

First Three Characters  
 000 = Unique Project Number  
 Decimal Character = Subtype (as described below)  
 .1 = New Construction  
 .2 = Reconstruction  
 .3 = Resurface  
 .4 = Safety Improvement  
 .5 = Bridge Replacement/Rehabilitation  
 .6 = Signal Improvement  
 .7 = Bikeway/Pedestrian Improvement  
 .8 = Other Improvements

### **PID #**

ODOT "Project Identification Number"

### **Air Quality Status**

Identifies projects which were included  
 in the LRTP air quality conformity analysis  
 Upper Row = Project is Exempt or was Analyzed  
 Lower Row = Build Year Scenario (2020, 2030 or 2040)

### **Phase of Work**

ENG -Environmental and Contract Plan Preparation  
 ROW -Right-of-Way Acquisition  
 CON -Construction  
 SPR -Federal State Planning and Research  
 DBT -Debt Service

### **LRTP Goal**

G1 -Address regional transp. needs through improved planning  
 G2-1 -Encourage a stronger multi-modal network in the Region  
 G2-2 -Maintain the regional transportation system  
 G2-3 -Upgrade the regional transportation system  
 G2-4 -Incorporate regional land use strategies  
 G3 -Enhance attractiveness for future economic development  
 G4 -Encourage pursuit of alternative fuels to reduce emissions

### **FUND CODES, DESCRIPTION AND TYPICAL FUNDING SPLIT**

#### **Federal Allocation of ODOT or County Engineer Association Controlled Funds**

	Typical Fed./Local Share
BR -Bridge Replacement and Rehabilitation	80/20
EAR -Federal Earmark, Specific Source Undetermined at this Time	Varies

**RESOLUTION 25-16**  
**AMENDING THE SFY2026-SFY2029 TRANSPORTATION IMPROVEMENT PROGRAM**

**WHEREAS**, the Miami Valley Regional Planning Commission is designated as the Metropolitan Planning Organization (MPO) by the Governor acting through the Ohio Department of Transportation in cooperation with locally elected officials for Greene, Miami and Montgomery Counties including the jurisdictions of Carlisle, Franklin, Springboro and Franklin Township in Warren County; and

**WHEREAS**, the MVRPC's Board of Directors serves as the policy and decision making body through which local governments guide the MPO's transportation planning process for the Dayton Metropolitan Area; and

**WHEREAS**, all Federally funded transit and highway improvements within Greene, Miami and Montgomery County must be included in the region's Transportation Improvement Program (TIP) prior to the expenditure of Federal funds; and

**WHEREAS**, the SFY2026-SFY2029 Transportation Improvement Program was adopted on May 1, 2025; and

**WHEREAS**, MVRPC, ODOT, Miami County Transit and GDRTA have made numerous modifications to the programming documents for various projects resulting in the need for a SFY2026-SFY2029 TIP amendment; and

**WHEREAS**, the proposed amendment is consistent with the Region's long-range transportation plan; and

**WHEREAS**, this TIP amendment is consistent with the regional air quality emission analysis of the SFY2026-SFY2029 TIP; and

**WHEREAS**, the MVRPC Public Participation Policy for Transportation Planning process allows for minor TIP amendments such as this to occur without separate public involvement meetings; and

**WHEREAS**, this amendment will result in a TIP that is in reasonable fiscal constraint

**NOW THEREFORE BE IT RESOLVED**, that the MPO members of the Board of Directors of the Miami Valley Regional Planning Commission hereby adopt **Amendment #1** to the SFY2026-SFY2029 Transportation Improvement Program as shown on the attached TIP Tables.

**BY ACTION OF THE** MPO members of the Miami Valley Regional Planning Commission's Board of Directors.

## MEMORANDUM

**TO:** MVRPC Technical Advisory Committee and Board of Directors  
**FROM:** MVRPC Staff  
**DATE:** May 15, 2025  
**SUBJECT:** Water Quality Plan Amendment to Update Boundaries for Tri-Cities and Bethel FPAs

Resulting from MVRPC's State Fiscal Year 2025 contract with Ohio EPA for water quality planning assistance and from requests by MVRPC member jurisdictions, this staff-proposed amendment to the Areawide Water Quality Management Plan (AWQMP) includes one FPA boundary update affecting two facility planning areas: Tri-Cities and Bethel.

Updates to the AWQMP are subject to review by the Water & Environment Subcommittee, the MVRPC Technical Advisory Committee, and the review and approval of the MVRPC Board of Directors.

The Tri-Cities Regional Wastewater Authority serves as the Designated Management Agency for the Tri-Cities Facility Planning Area (FPA). Tri-Cities provides wastewater collection and treatment services for Huber Heights, Tipp City, and Vandalia. This requested boundary change addresses the need for wastewater services in a location annexed from Bethel Township to the City of Huber Heights in 2024. The area in question is shown in the image, below, and will be the next section of residential construction in the Carriage Trails development. Development plans provided in Spring 2025 to MVRPC indicate a planned build out of over 1,400 homes in the area annexed. The density of development will require sanitary sewer and treatment at a centralized waste treatment facility.

The specific property in question is outlined in the image in orange. This area is currently in the Bethel FPA, which is managed by Miami County Sanitary Engineering (MCSE). In the course of development planning a request for sanitary sewer service was made to MCSE, and the county declined to provide such service. As a result, this area is proposed to be switched to the Tri-Cities FPA, which is prepared and willing to provide such service.

The timeline for review of this proposal was as follows:

- Request for FPA Boundary update received and confirmed complete on February 14, 2025
- Presentation to the MVRPC Water & Environment Subcommittee on March 12, 2025
- Public Comment period held between April 3 and May 2, 2025. The Public was invited to submit a comment through the MVRPC website or in person at the MVRPC offices.
- Virtual Public Meeting held on April 17, 2025

Only one comments received during the public comment period. The comment, from the online meeting, was related to the annexation process for this property, rather than planning for treatment of wastewater expected from development. It was suggested that this FPA change should not be approved until the procedure for removing the property fully from the Township was complete. That process has no critical connection to environmental protection, and staff sees no reason to link these processes. No comments were received through the online or the in-person comment forms.

*Area subject to this proposed update is outlined in orange.*

## **RECOMMENDATION**

MVRPC staff recommends the amendment be approved as presented for the protection of water resources.

Re: Sanitary Sewer Service to Carriage Trails II

Mr. Miller:

I am writing to you on behalf of Michael Clarey, Miami County Administrator. Mr. Clarey asked I respond to your letter dated October 16, 2024. You are correct in your statement that Miami County will not be providing sanitary sewer service to the Carriage Trails II development in Huber Heights. The County will participate in discussions regarding amendments to the Facility Planning Area to accommodate sanitary sewer service to the planned Carriage Trails II development.

Sincerely,

  
\_\_\_\_\_  
Amy Blankenship

2. Plant Improvement / Expansion Project Update
3. Questions

# EQ and Collection System Improvement Project

# EQ and Collections System Improvements

## Project Goals:

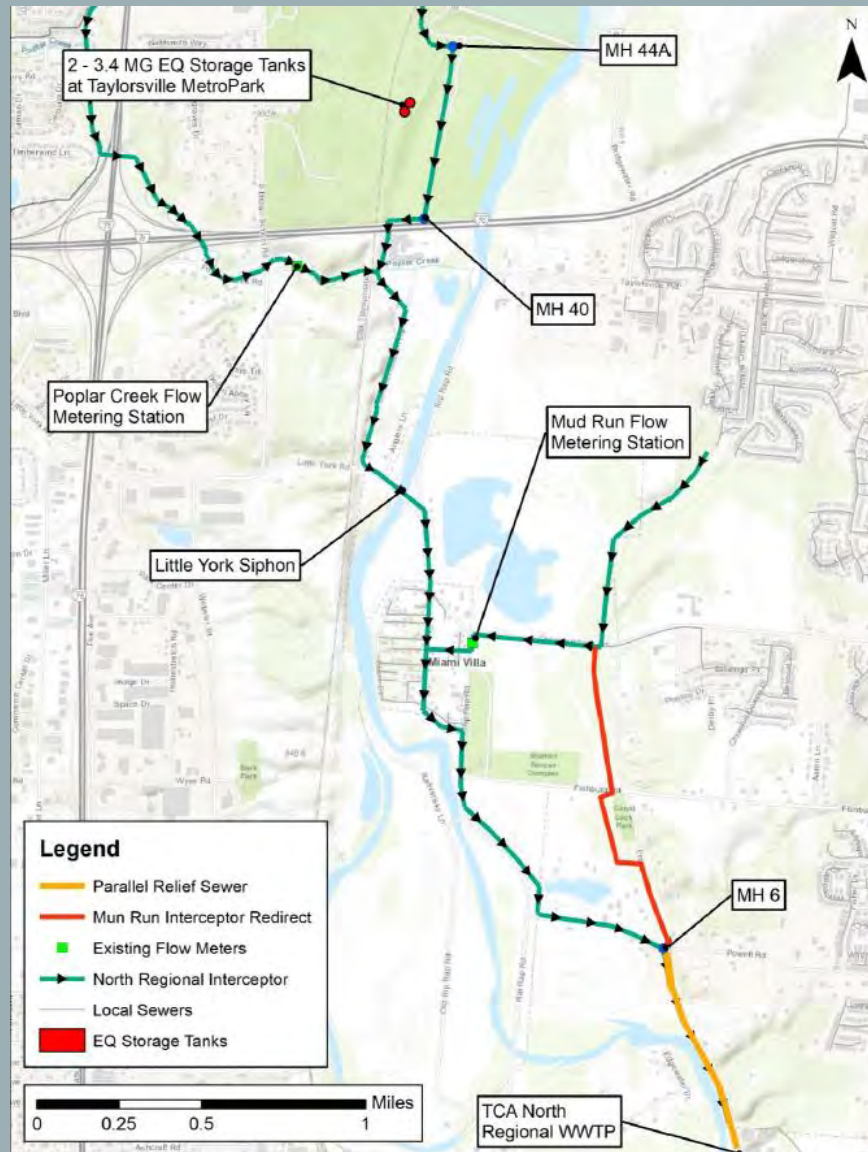

- Achieve long-term state and federal EPA compliance- eliminate all Sanitary Sewer Overflows (SSO)
- Increase collection system capacity during extreme wet weather events
- Eliminate the possibility of sewage in basements
- Increase system reliability and resiliency
- \$24.1M project. Construction to be complete by December 2025

# Interceptor Sewer Line Improvements- Phase 2

# Plant Improvement Project

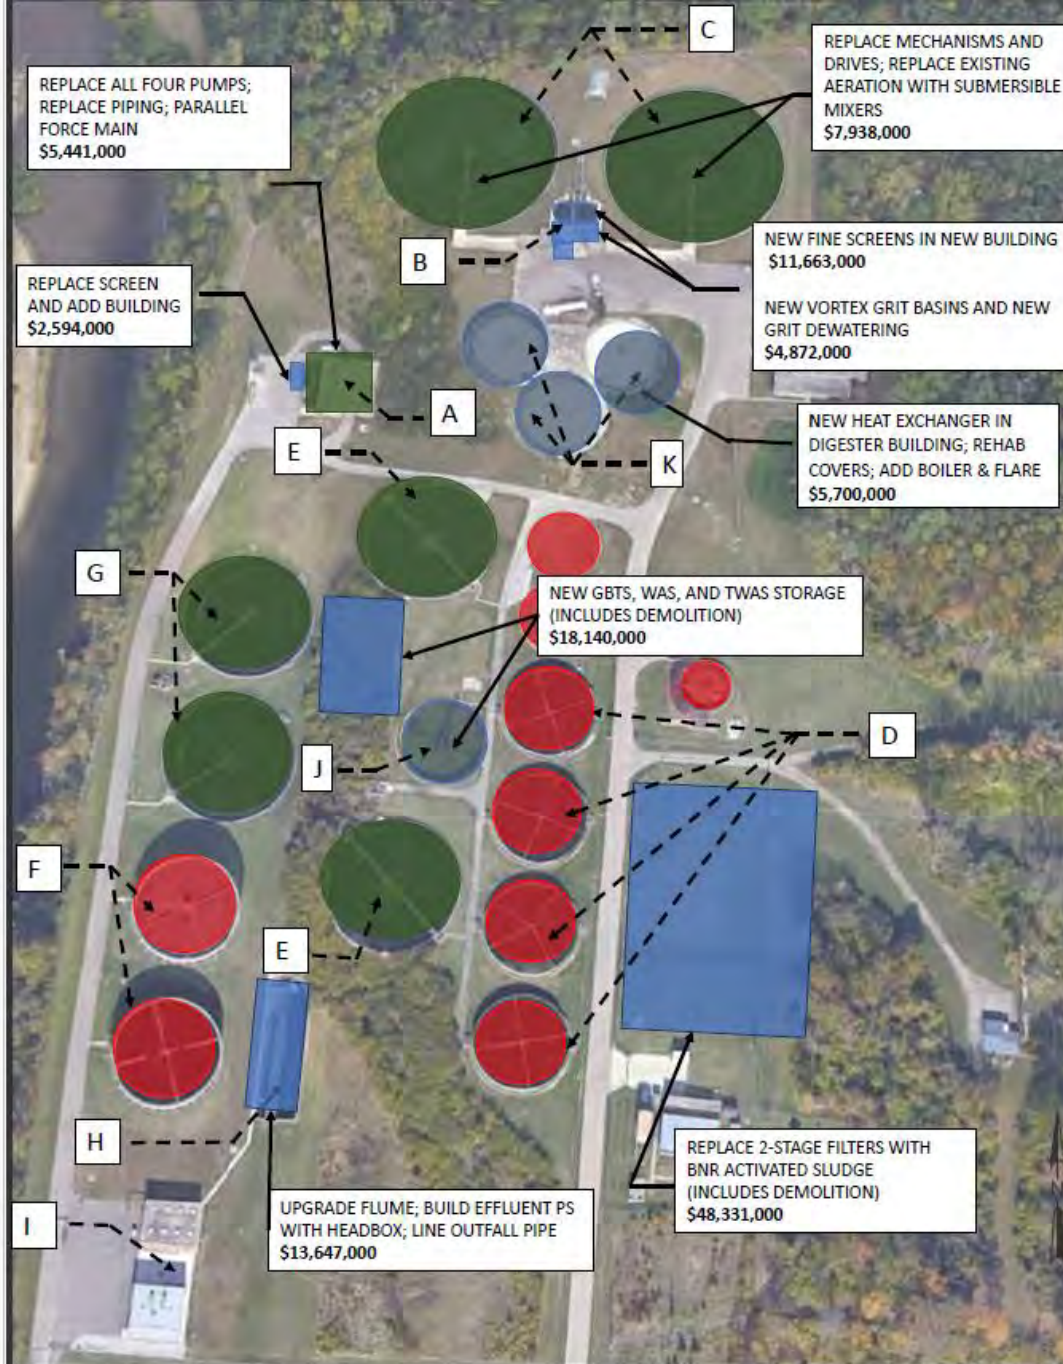

# Plant Improvement Project

## Project Goals:

- Encourage economic development via increased wastewater treatment services
- Comply with future Total Phosphorus, along with stricter Ammonia, BOD (biochemical oxygen demand) effluent limits from OEPA
- Increase plant flow capacity from 11.2 MG to 17.3 MG, to address growing communities
- Update grit removal system
- Convert two-stage trickling filter system to activated sludge
- Address aging infrastructure
- Improve antiquated and inefficient treatment processes

## RESOLUTION NUMBER 25-17 AMENDING THE AREAWIDE WATER QUALITY MANAGEMENT PLAN TO UPDATE BOUNDARIES FOR THE TRI-CITIES AND BETHEL FACILITY PLANNING AREAS

**WHEREAS**, the Miami Valley Regional Planning Commission is the Designated Planning Agency (DPA) for Water Quality Management Planning within the Miami Valley Region pursuant to Section 208 of the Federal Water Pollution Control Act Amendments of 1972 (P.L. 92-500) and 1977 (P.L. 95-217); and

**WHEREAS**, in fulfillment of its responsibilities as the DPA, MVRPC has prepared the 208 Areawide Water Quality Management Plan, and administers said Plan within its designated five-county water planning jurisdiction, including Greene, Montgomery, Miami, Preble, and Darke Counties, Ohio; and

**WHEREAS**, it is periodically necessary to amend said Plan to incorporate pertinent and appropriate modifications; and

**WHEREAS**, the following amendments, hereafter known as the 2025 AWQMP Amendment, have been proposed for the Areawide Water Quality Management Plan:

1. FPA Boundary modifications for the Tri-Cities and Bethel FPAs

**NOW, THEREFORE BE IT RESOLVED** that the Commission hereby adopts the above-referenced 2025 Amendment to the Areawide Water Quality Management Plan and recommends its certification by the State of Ohio.

# Public Education & Program Outreach for Air Quality Awareness & Rideshare

Presented by Laura Dent

# Programs Funded by CMAQ

---

The Air Quality Awareness Program and Rideshare Program are both funded by CMAQ. As outlined in the guidelines, the goal of CMAQ-funded public education and outreach programs is to educate the public, community leaders, and potential project sponsors about trip planning and transportation mode choices, traffic congestion, and air quality.

The **Congestion Mitigation and Air Quality Improvement Program or CMAQ** supports two important goals of the U.S. Department of Transportation: improving air quality and relieving congestion as outlined in the Clean Air Act.

MVRPC uses a mix of advertising opportunities, community partnerships, and customer service to support these programs.

# Rideshare Program

---

The **Rideshare Program** promotes shared sustainable commute options through the statewide platform, [GohioCommute.com](http://GohioCommute.com).

**GohioCommute.com** allows users to form a carpool, vanpool or bikepool, transit and bike routes using ride matching. It is FREE to anyone who lives, works or attends college in Montgomery, Greene, Miami, Preble, Darke, Shelby and Clinton Counties.

In support of the Rideshare Program goals, MVRPC provide updates on major construction projects in Region that may impact commutes and encourage visitors to the site to find alternate routes or transportation options **[MiamiValleyRoads.org](http://MiamiValleyRoads.org)**

**Drive Less Live More** is a campaign to encourage the use of sustainable commute options for other trips like biking to lunch rather than driving or carpooling to the movies.

A partner of  
**gohio**  
commute | A Smarter Way

**[MiamiValleyRideshare.org](http://MiamiValleyRideshare.org)**

# Air Quality Awareness Program

## The Air Quality Awareness Program

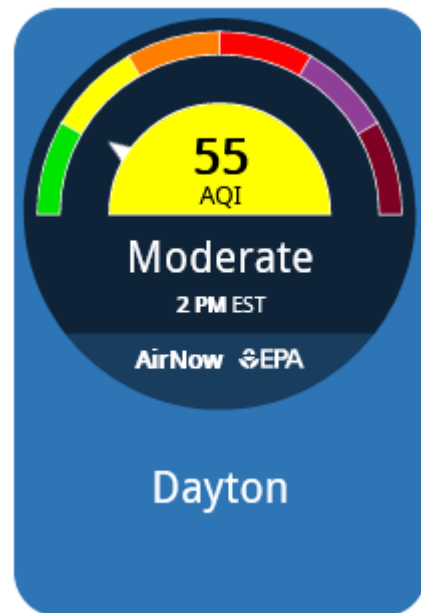

provides information about air quality in the Region and promotes actions to take to reduce air pollution.

When air quality is expected to be poor, MVRPC in conjunction with RAPCA (Regional Air Pollution Control Agency), activate air quality alerts to notify residents.

MVRPC takes the following actions to activate alerts:

- Press release to media partners
- Calls to local newsrooms
- Advertising activation
- Social media posts
- National Weather Service Wilmington

# Customer Service

Call support for those registering on GohioCommute.com ~ 50 each year

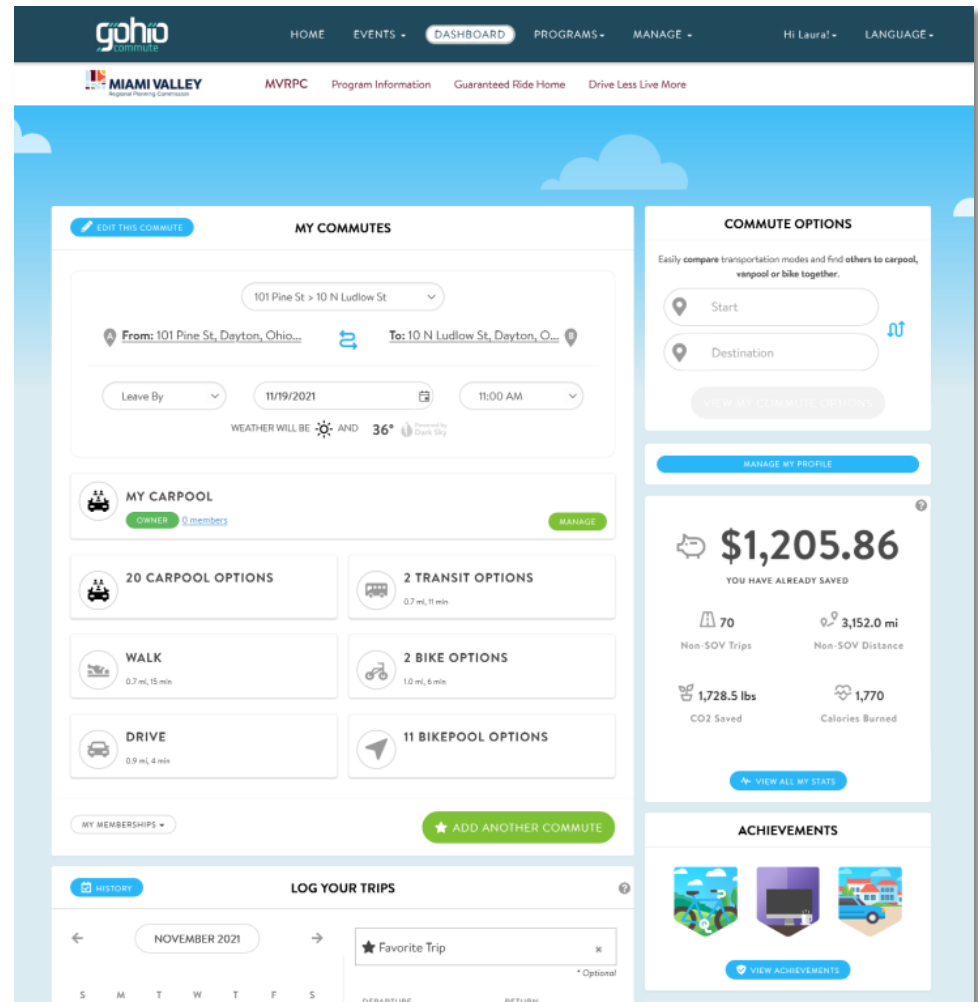

Registration and navigation support

~150 new users each year

~4000 users for Miami Valley Region

~500 new users for last 5 years

Recently, assisted a user with reengaging profile to find a new carpool who participated in carpool prior to pandemic found on GohioCommute.com Interested in new carpool options because of Return to work for federal job

# GohioCommute.com User Dashboard

The screenshot displays the GohioCommute.com User Dashboard. The top navigation bar includes links for HOME, EVENTS, DASHBOARD, PROGRAMS, and MANAGE. The main header features the Gohio logo and the Miami Valley Regional Planning Commission logo. Below the header, there are links for MVRPC, Program Information, Guaranteed Ride Home, and Drive Less Live More.

The dashboard is divided into several sections:

- Left Sidebar:** Contains a list of commute options. The "DRIVE (1)" option is highlighted with a red arrow. Other options include CARPOOL (20), BIKE (2), WALK (1), TRANSIT (2), and VANPOOL (0).
- Top Left:** Shows the user's saved commute route from 101 Pine St, Dayton, Ohio, 45402 to 10 N Ludlow St, Dayton, Ohio, 45402. It includes a "Manage My Carpool" button and a "Show Me" button with "RIDERS" and "DRIVERS" tabs.
- Center:** Displays a list of carpooling options for the selected route. Each option includes the name of the driver (Fiona, Laura, Val), their starting location, the time they are out of the way, and their schedule. The "DRIVE (1)" option is also listed here.
- Right:** A map of Dayton, Ohio, showing the route from point A to point B. The map includes street names and landmarks like Sinclair Community College.

# Employer Support for Commuters

As more businesses look for way to support their workforce, we are working to connect with leaders to promote our resources to their team.

- Custom Network for commuters to their locations
- Custom materials to distribute to staff – Flyers, Breakroom tv features, newsletter articles
- Registration support services
- Virtual Webinar
- Custom Video introduction with tutorial
- Social media graphics

## **MVRPC Hosts Annual Spring Dinner**

MVRPC hosted the Annual Spring Dinner on Thursday, April 24, 2025, at the Marriott at the University of Dayton. This annual dinner is a celebration of the accomplishments of the Region. MVRPC's Chairperson and City of Riverside Council Member, Sara Lommatzsch, First Vice-Chairperson and City of Troy Mayor, Robin I. Oda, Second Vice-Chairperson and Greene County Commissioner, Richard Gould and Third Vice-Chairperson and Preble County Commissioner Rachael Vonderhaar along with MVRPC's Executive Director, Brian O. Martin, presided over the event. During the dinner, the Arthur D. Haddad Regional Steward award was presented to Montgomery County Commissioner Judy Dodge and the Regional Partner Award was presented to Mike Bowers from Darke County Economic Development.

The Arthur D. Haddad Regional Steward Award recognizes someone with an innovative spirit for solving regional challenges; who builds broad support toward a shared regional vision; and who is a regional steward promoting economic, social and environmental progress. Judy Dodge, Montgomery County Commissioner, received this award for her commitment to improving the quality of life for everyone in the Region. Ms. Dodge serves on boards and commissions that further her commitment to the betterment of all including the Food Equity Coalition, Family & Children First Council (FCFC), and the Montgomery County Land Reutilization Corporation, MVRPC's Board of Directors and Executive Committee for the past 15 years and MVRPC's Institute for Livable and Equitable Communities. She is proud to serve in this capacity and will continue to work to enhance the quality of life for all Montgomery County citizens.

The Regional Partner Award recognizes MVRPC's partners who work together to achieve a common goal across the Region. Mike Bowers from Darke County Economic Development received the partner award for his work to improve Darke County. He has expanded community opportunities, including county-wide internet and job opportunities for growing companies, county and Region.

- The Kleingers Group
- University of Dayton
- Woolpert, Inc.
- ZoneCo

## The Big Thanks (United Way)

The Big Thanks is an annual event that provides the United Way of the Greater Dayton Area with an opportunity to recognize and celebrate their dedicated partners, collaborators, and supporters. These honorees share a common goal: to enhance the quality of life in the Miami Valley. In alignment with MVRPC's own agency vision, the Institute for Livable & Equitable Communities has been heavily engaged with the United Way in pursuing efforts and initiatives benefiting the region and its community members. And we are proud to share that this has recently led to our Regional Equity Initiative Program Manager Fabrice Juin being recognized with the "Future of Philanthropy" award; "for his vision, energy, and unwavering commitment to equity in our community". This award is also a reflection of both the collective work of the MVRPC staff team that help to facilitate collaborative opportunities, and the leadership and support of our Board members.

## Convening to Develop the Region's Outdoor Economy; the Riverway Summit and the Miami Valley Cycling Summit

In May, MVRPC was proud to sponsor two Summits that promote our Region's Outdoor Economy; the Great Miami Riverway Summit and the Miami Valley Cycling Summit. Staff also supported both events through program planning, panel moderating and presenting updates on the agency's most recent efforts and initiatives to support the Region.

On May 2, 2025, Miamisburg hosted the 17th annual Great Miami Riverway Summit. This was a monumental moment for the

Riverway and all those who have supported the effort, as it was hosted in a brand new downtown Miamisburg Riverfront Park which was only a dream and vision over 10 years ago.

The following week, on May 9, 2025, Bike Miami Valley convened local leaders, community advocates and cyclists for the 8th bi-annual Miami Valley Cycling Summit in Springfield, Ohio. The focus on this year's summit was "Cycling for All" and featured, the Bicycle Nomad, a nationally re-known cyclist and cycling advocate.

## MVRPC Convenes Local Experts on Youth Group Housing

MVRPC hosted an informative workshop on the topic of Youth Group Housing on Tuesday, April 29th at the Montgomery County Business Solutions Center. This workshop was an opportunity to learn about, exchange insights on, and discuss approaches to the youth group housing issues faced by our communities in the region.

A total of 35 participants from various fields including planning, economic development, law enforcement, emergency responders, and group home operators were in attendance.

The workshop included an informative presentation by Ms. Kyrsten French from City of Dayton where she provided the definition and background information on the high concentration of youth group homes in Montgomery County and City of Dayton. Following the presentation, the panel made up of Ms. Emily Crow (City of Dayton), Ms. Shannon Meadows and Mr. Chad Adkins (Harrison Township), and Mr. Tyler Hauck (City of Trotwood) began to delve into sharing their experiences with youth group housing at their communities. Attendees came away with a better understanding of the issues with Youth Group Housing and the potential challenges and solutions for both their local community and within the region. To find additional information about the workshop, please visit <https://www.mvrpc.org/regional-planning/miami-valley-regional-housing-study/youth-group-housing>.

The Youth Group Housing Workshop was featured as part of the Miami Valley Regional Housing Study. For more information regarding the Miami Valley Regional Housing Study, visit: <https://www.mvrpc.org/regional-planning/regional-housing-study> or contact [Martin Kim](#), MVRPC's Director of Community and Regional Planning.

## MiamiValleyGovJobs.org MVRPC

MiamiValleyGovJobs.org is a one-stop website for candidates seeking positions with a public agency in the Miami Valley. This service is provided for MVRPC member organizations and partners at no cost. Posting your positions on [MiamiValleyGovJobs.Org](https://miami-valley-gov-jobs.org) increases visibility of your positions and expands your candidate pool. Each job post will be displayed with your organization's logo and a link to your website where candidates can find more information.

To post a position with your organization, please email your posting to [JobBoard@MVRPC.Org](mailto:JobBoard@MVRPC.Org).

## Grants & Funding Resources

On a monthly basis MVRPC is highlighting funding opportunities for member villages, cities, counties, and townships on our website. We include a description, contact information and program links. We have also listed other valuable resources for finding funding opportunities for our regional jurisdictions and organizations. Explore more on our [Grant and Funding Opportunities page](#).

This month we are featuring information on:

- Fiscal Year 2025 Competitive Funding Opportunity: Buses and Bus Facilities Program– Deadline: July 14, 2025
- CenterPoint Energy Foundations– Deadline: July 18, 2025

If you have any questions, please contact Kathryn Youra Polk at [kyourapolk@mvrpc.org](mailto:kyourapolk@mvrpc.org) or 937.223.6323.
