Miami Valley RIDESHARE

The Miami Valley Regional Planning Commission sponsors the local **RIDESHARE Program** which is available for **FREE** to anyone who lives, works or attends college in Montgomery, Greene, Miami, Preble, Darke and Clinton Counties. When you register for RIDESHARE, the matching software will try to link you with others who live near you and work/attend college near you too. You'll receive a match list of people who have similar schedules and destinations. You can contact them and make arrangements to form a carpool or vanpool.

HOW TO REGISTER:

Online at miamivalleyrideshare.org
Call 937.223.SAVE or 1.800.743.SAVE
Fax form to RIDESHARE at 937.223.9750

CARPOOLING

Carpooling has many benefits. Save money by sharing the ride, lower your stress by relaxing as a passenger, reduce traffic congestion by reducing vehicles on the road, and improve the environment by reducing vehicle emissions.

VANPOOLING

If you have a long commute, over 25 miles one-way, you and a group of up to 14 people may be interested in renting a van on a monthly basis. The monthly vehicle rental rate and other expenses are split evenly between passengers. Call 937.223.SAVE for more information on vanpooling.

PEDAL PALS BIKEPOOL

Bike to work with others. Find the best route by bike for your commute and match with other bike commuters in the area. Travel together for safety and get your exercise in as you commute.

We will never leave you stranded. If you register for RIDESHARE, you are automatically eligible for the Guaranteed Ride Home (GRH) Program. GRH provides a guaranteed ride in case of an emergency, such as you or family member becomes ill, you unexpectedly must work past your normal quitting time, or your rideshare driver has to leave earlier than normal. GRH reimburses participants 80% of a taxicab ride up to 4 times in a 12-month period.
