**The Miami Valley Regional Planning Commission Technical Advisory Committee met on April 17, 2025 at 9:30 a.m. at Dayton Realtors, 1515 S. Main Street, Dayton, OH 45409. All members and news media were notified of the meeting pursuant to the Sunshine Law.**

**I. INTRODUCTION**

Chairperson Huelskamp called the meeting to order at 9:33 a.m. Self-introductions were made.

## **II. APPROVAL OF MARCH 20, 2025 MEETING MINUTES**

Ms. Moore made a motion to approve the meeting minutes. Mr. Hankins seconded the motion. The motion passed unanimously.

## **III. Public Comment Period on Action Items**

None

## **IV. MPO (METROPOLITAN PLANNING ORGANIZATION) ACTION ITEMS**

### **A. Resolution 25-11: Requesting a New Conformity Finding for the Existing 2050 Long Range Transportation Plan**

Ms. Ramirez provided an overview of MVRPC's request for a conformity finding for the existing 2050 Long Range Transportation Plan (2050 LRTP). She explained that while a full update to the LRTP is scheduled for SFY 2026, federal regulations require a conformity determination at least every four years. The current socio-economic forecasts align closely with 2020 Census data, and no significant changes to travel forecasts are anticipated. She then stated that, all regionally significant projects in the upcoming SFY 2026–2029 Transportation Improvement Program (TIP) are already accounted for in the 2050 LRTP. The conformity finding will ensure continued compliance with federal air quality regulations. Lastly, Ms. Ramirez stated that staff recommend forwarding the new conformity finding for the existing 2050 Long Range Transportation Plan to the Board of Directors for adoption. Upon Board approval, the resolution will be submitted to the U.S. Department of Transportation and the U.S. Environmental Protection Agency for formal review.

Mr. Shahan made a motion to recommend forwarding the new conformity finding for the Existing 2050 Long Range Transportation Plan to the Board of Directors for adoption. Ms. Scarff seconded the motion. The motion passed unanimously.

### **B. Resolution 25-12: Recommended Adoption of the Final SFY2026-2029 Transportation Improvement Program (TIP)**

Mr. Arnold presented the Final SFY2026–2029 Transportation Improvement Program (TIP). He explained that it is developed in accordance with Federal Highway Administration (FHWA) and Federal Transit Administration (FTA) regulations, as well as ODOT's STIP/TIP development standards. These projects have been closely coordinated with local MPO jurisdictions, transit operators, and ODOT, and have been entered into ODOT's ELLIS system to track development milestones and funding authorizations. Next, Mr. Arnold explained that the public involvement meeting was held on March 27, 2025, and no public comments were received. He then referred to the final TIP tables that reflect updated schedules and cost information for previously approved projects as well as new projects. Lastly, Mr. Arnold stated that staff recommend forwarding the Final SFY2026-2029 Transportation Improvement Program (TIP) to the Board of Directors for adoption.

Ms. Rhoades made a motion to recommend forwarding the Final SFY2026-2029 Transportation Improvement Program (TIP) to the Board of Directors for adoption. Ms. Scarff seconded the motion. The motion passed unanimously.

Mr. Martin thanked Mr. Arnold for his work and then explained that the Transportation Improvement Program gets updated and adopted every two years.

### **C. Resolution 25-13: Recommended Adoption of the Annual Self-Certification of the Metropolitan Transportation Planning Process**

Mr. Arnold provided information regarding the annual self-certification of the metropolitan transportation planning process. He explained that concurrent with the submittal of the Transportation Improvement Program (TIP), MPOs are required to adopt a resolution of self-certification of the metropolitan transportation planning process and that the resolution states that MVRPC is following the processes and procedures that are set forth by the Federal and State Governments. He then stated that staff recommend forwarding the annual self-certification of the metropolitan transportation planning process to the Board of Directors for adoption.

Ms. Goff made a motion to recommend forwarding the Annual Self-Certification of the Metropolitan Transportation Planning Process to the Board of Directors for adoption. Ms. McConnell seconded the motion. The motion passed unanimously.

## **V. INFORMATION ITEMS**

### **A. TRAC Solicitation Update for Considering Major New Capacity Projects**

Mr. Arnold provided information regarding the upcoming TRAC project solicitation. He stated that the solicitation will begin May 1, 2025 and applications are due to MVRPC by May 30<sup>th</sup>. MVRPC will work in coordination with ODOT to acknowledge and review all TRAC applications for the current solicitation cycle. Lastly, Mr. Arnold shared information regarding the policies and procedures for considering major new capacity projects.

### **B. Functional Classification Update Information**

Ms. Ramirez provided an update regarding the proposed 2020 Functional Classification changes. She stated that in 2024, the Board of Directors approved the 2020 update on the Dayton Urbanized Area Transportation Boundary which was the first step in the process of updating the functional classification of roadways within the MVRPC area. She then shared the draft map that was distributed for review and comments by the Technical Advisory Committee. She then invited committee members to submit any additional comments or concerns to Aaron Lee at [alee@mvrpc.org](mailto:alee@mvrpc.org) by May 5<sup>th</sup>. Lastly, Ms. Ramirez opened the floor for questions and addressed that members can receive more information regarding the roads that were not selected by contacting Mr. Lee.

## MEMORANDUM

**To:** Technical Advisory Committee, Board of Directors

**From:** MVRPC Staff

**Date:** June 5, 2025

**Subject:** Endorsement of the 2020 Functional Classification Update

On February 2024, the MVRPC Board of Directors approved the 2020 update of the Dayton Urbanized Area Transportation Boundary. This was the first step in the process of updating the functional classification of roadways within the MVRPC area.

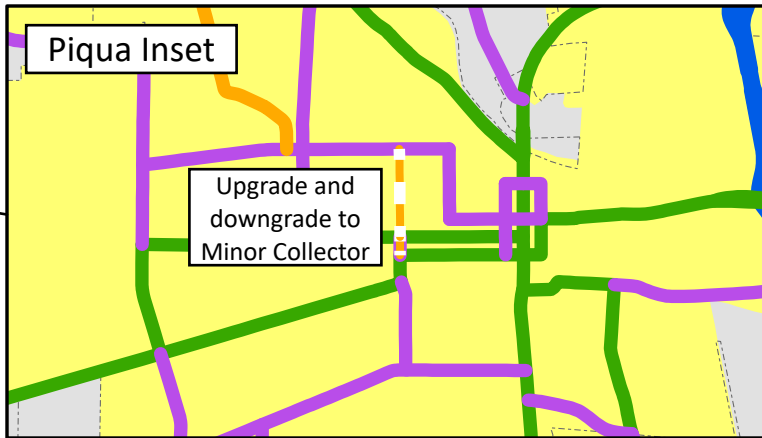

During January-February 2025, MVRPC staff worked with ODOT and local jurisdictions to review and update the functional classification of roads, a draft map was distributed to the April TAC meeting. Based on comments, one additional change was accepted and it is incorporated into the attached map.

A resolution to endorse the 2020 functional classification update is attached and staff recommends its adoption by the MVRPC Board of Directors. Following Board endorsement changes will be forwarded to ODOT for submittal to FHWA.

## RESOLUTION 25-15 ENDORISING REVISIONS TO THE 2020 FEDERAL-AID ROADWAY FUNCTIONAL CLASSIFICATION

**WHEREAS**, the Miami Valley Regional Planning Commission is designated as the Metropolitan Planning Organization (MPO) by the Governor acting through the Ohio Department of Transportation in cooperation with locally elected officials for Greene, Miami, and Montgomery Counties including the jurisdictions of Franklin, Franklin Township, Carlisle, and Springboro in Warren County; and

**WHEREAS**, the MPO members of the MVRPC's Board of Directors serve as the policy and decision making body through which local governments guide the MPO's transportation planning for the Dayton Metropolitan Area; and

**WHEREAS**, the Infrastructure Investment and Jobs Act (IIJA) requires the revision of the Functional Classification System; and

**WHEREAS**, the 2020 Census delineation of urban area boundaries necessitates certain revisions to the Federal-Aid Urbanized Area Boundaries within MVRPC's planning area; and

**WHEREAS**, the update of existing Federal-Aid Urbanized Area Boundary is the first step in the process to update the Functional Classification System; and

**WHEREAS**, the designation of revised Federal-Aid Roadway Functional Classification is a cooperative effort of the State and locally elected officials and/or designated agencies.

**NOW THEREFORE BE IT RESOLVED**, that the MPO members of the Board of Directors of the Miami Valley Regional Planning Commission endorse revisions to the 2020 Federal Aid Roadway Functional Classification as shown on the attached map and authorizes the Ohio Department of Transportation to submit the same to the Federal Highway Administration for approval.

## MEMORANDUM

**To:** Technical Advisory Committee, Board of Directors  
**From:** MVRPC Staff  
**Date:** May 6, 2025  
**Subject:** SFY2026-SFY2029 Transportation Improvement Program (TIP) Amendment #1

Over the last few months MVRPC, ODOT, Miami County Transit and GDRTA have made numerous modifications to the programming documents for various projects resulting in the need for an SFY2026-SFY2029 TIP amendment. The attached TIP Tables 4.1, 4.2, 4.3, 4.4, 5.2, 5.3 and 5.4 reflect the updated information for each specific project. Modifications to Statewide Line Item projects are shown on Table 4.6 and are provided for information only. A TIP terminology explanation chart of key abbreviations used in the highway/bikeway tables precedes Table 4.1. A resolution adopting the proposed TIP amendment is attached for your review and consideration. The MVRPC staff recommends your approval.

**RESOLUTION 25-16**  
**AMENDING THE SFY2026-SFY2029 TRANSPORTATION IMPROVEMENT PROGRAM**

**WHEREAS**, the Miami Valley Regional Planning Commission is designated as the Metropolitan Planning Organization (MPO) by the Governor acting through the Ohio Department of Transportation in cooperation with locally elected officials for Greene, Miami and Montgomery Counties including the jurisdictions of Carlisle, Franklin, Springboro and Franklin Township in Warren County; and

**WHEREAS**, the MVRPC's Board of Directors serves as the policy and decision making body through which local governments guide the MPO's transportation planning process for the Dayton Metropolitan Area; and

**WHEREAS**, all Federally funded transit and highway improvements within Greene, Miami and Montgomery County must be included in the region's Transportation Improvement Program (TIP) prior to the expenditure of Federal funds; and

**WHEREAS**, the SFY2026-SFY2029 Transportation Improvement Program was adopted on May 1, 2025; and

**WHEREAS**, MVRPC, ODOT, Miami County Transit and GDRTA have made numerous modifications to the programming documents for various projects resulting in the need for a SFY2026-SFY2029 TIP amendment; and

**WHEREAS**, the proposed amendment is consistent with the Region's long-range transportation plan; and

**WHEREAS**, this TIP amendment is consistent with the regional air quality emission analysis of the SFY2026-SFY2029 TIP; and

**WHEREAS**, the MVRPC Public Participation Policy for Transportation Planning process allows for minor TIP amendments such as this to occur without separate public involvement meetings; and

**WHEREAS**, this amendment will result in a TIP that is in reasonable fiscal constraint

**NOW THEREFORE BE IT RESOLVED**, that the MPO members of the Board of Directors of the Miami Valley Regional Planning Commission hereby adopt **Amendment #1** to the SFY2026-SFY2029 Transportation Improvement Program as shown on the attached TIP Tables.

**BY ACTION OF THE** MPO members of the Miami Valley Regional Planning Commission's Board of Directors.

## MEMORANDUM

**TO:** MVRPC Technical Advisory Committee and Board of Directors  
**FROM:** MVRPC Staff  
**DATE:** May 15, 2025  
**SUBJECT:** Water Quality Plan Amendment to Update Boundaries for Tri-Cities and Bethel FPAs

Resulting from MVRPC's State Fiscal Year 2025 contract with Ohio EPA for water quality planning assistance and from requests by MVRPC member jurisdictions, this staff-proposed amendment to the Areawide Water Quality Management Plan (AWQMP) includes one FPA boundary update affecting two facility planning areas: Tri-Cities and Bethel.

Updates to the AWQMP are subject to review by the Water & Environment Subcommittee, the MVRPC Technical Advisory Committee, and the review and approval of the MVRPC Board of Directors.

The Tri-Cities Regional Wastewater Authority serves as the Designated Management Agency for the Tri-Cities Facility Planning Area (FPA). Tri-Cities provides wastewater collection and treatment services for Huber Heights, Tipp City, and Vandalia. This requested boundary change addresses the need for wastewater services in a location annexed from Bethel Township to the City of Huber Heights in 2024. The area in question is shown in the image, below, and will be the next section of residential construction in the Carriage Trails development. Development plans provided in Spring 2025 to MVRPC indicate a planned build out of over 1,400 homes in the area annexed. The density of development will require sanitary sewer and treatment at a centralized waste treatment facility.

The specific property in question is outlined in the image in orange. This area is currently in the Bethel FPA, which is managed by Miami County Sanitary Engineering (MCSE). In the course of development planning a request for sanitary sewer service was made to MCSE, and the county declined to provide such service. As a result, this area is proposed to be switched to the Tri-Cities FPA, which is prepared and willing to provide such service.

The timeline for review of this proposal was as follows:

- Request for FPA Boundary update received and confirmed complete on February 14, 2025
- Presentation to the MVRPC Water & Environment Subcommittee on March 12, 2025
- Public Comment period held between April 3 and May 2, 2025. The Public was invited to submit a comment through the MVRPC website or in person at the MVRPC offices.
- Virtual Public Meeting held on April 17, 2025

Only one comments received during the public comment period. The comment, from the online meeting, was related to the annexation process for this property, rather than planning for treatment of wastewater expected from development. It was suggested that this FPA change should not be approved until the procedure for removing the property fully from the Township was complete. That process has no critical connection to environmental protection, and staff sees no reason to link these processes. No comments were received through the online or the in-person comment forms.

*Area subject to this proposed update is outlined in orange.*

## **RECOMMENDATION**

MVRPC staff recommends the amendment be approved as presented for the protection of water resources.

Re: Sanitary Sewer Service to Carriage Trails II

Mr. Miller:

I am writing to you on behalf of Michael Clarey, Miami County Administrator. Mr. Clarey asked I respond to your letter dated October 16, 2024. You are correct in your statement that Miami County will not be providing sanitary sewer service to the Carriage Trails II development in Huber Heights. The County will participate in discussions regarding amendments to the Facility Planning Area to accommodate sanitary sewer service to the planned Carriage Trails II development.

Sincerely,

## **RESOLUTION NUMBER 25-17 AMENDING THE AREAWIDE WATER QUALITY MANAGEMENT PLAN TO UPDATE BOUNDARIES FOR THE TRI-CITIES AND BETHEL FACILITY PLANNING AREAS**

**WHEREAS**, the Miami Valley Regional Planning Commission is the Designated Planning Agency (DPA) for Water Quality Management Planning within the Miami Valley Region pursuant to Section 208 of the Federal Water Pollution Control Act Amendments of 1972 (P.L. 92-500) and 1977 (P.L. 95-217); and

**WHEREAS**, in fulfillment of its responsibilities as the DPA, MVRPC has prepared the 208 Areawide Water Quality Management Plan, and administers said Plan within its designated five-county water planning jurisdiction, including Greene, Montgomery, Miami, Preble, and Darke Counties, Ohio; and

**WHEREAS**, it is periodically necessary to amend said Plan to incorporate pertinent and appropriate modifications; and

**WHEREAS**, the following amendments, hereafter known as the 2025 AWQMP Amendment, have been proposed for the Areawide Water Quality Management Plan:

1. FPA Boundary modifications for the Tri-Cities and Bethel FPAs

**NOW, THEREFORE BE IT RESOLVED** that the Commission hereby adopts the above-referenced 2025 Amendment to the Areawide Water Quality Management Plan and recommends its certification by the State of Ohio.

# Public Education & Program Outreach for Air Quality Awareness & Rideshare

Presented by Laura Dent

# Programs Funded by CMAQ

---

The Air Quality Awareness Program and Rideshare Program are both funded by CMAQ. As outlined in the guidelines, the goal of CMAQ-funded public education and outreach programs is to educate the public, community leaders, and potential project sponsors about trip planning and transportation mode choices, traffic congestion, and air quality.

The **Congestion Mitigation and Air Quality Improvement Program or CMAQ** supports two important goals of the U.S. Department of Transportation: improving air quality and relieving congestion as outlined in the Clean Air Act.

MVRPC uses a mix of advertising opportunities, community partnerships, and customer service to support these programs.

# Rideshare Program

---

The **Rideshare Program** promotes shared sustainable commute options through the statewide platform, [GohioCommute.com](http://GohioCommute.com).

**GohioCommute.com** allows users to form a carpool, vanpool or bikepool, transit and bike routes using ride matching. It is FREE to anyone who lives, works or attends college in Montgomery, Greene, Miami, Preble, Darke, Shelby and Clinton Counties.

In support of the Rideshare Program goals, MVRPC provide updates on major construction projects in Region that may impact commutes and encourage visitors to the site to find alternate routes or transportation options **[MiamiValleyRoads.org](http://MiamiValleyRoads.org)**

**Drive Less Live More** is a campaign to encourage the use of sustainable commute options for other trips like biking to lunch rather than driving or carpooling to the movies.

# Air Quality Awareness Program

## The Air Quality Awareness Program

provides information about air quality in the Region and promotes actions to take to reduce air pollution.

When air quality is expected to be poor, MVRPC in conjunction with RAPCA (Regional Air Pollution Control Agency), activate air quality alerts to notify residents.

MVRPC takes the following actions to activate alerts:

- Press release to media partners
- Calls to local newsrooms
- Advertising activation
- Social media posts
- National Weather Service Wilmington

## **MVRPC Offers a New “Advancing Active Living in Your Community” Workshop**

MVRPC is pleased to announce a new workshop opportunity for your community. As part of the PLAN4Health – Miami Valley initiative, MVRPC has hosted a series of workshops aimed at advancing healthy communities and healthy people. Building on this effort, we would like to work with your team to advance active living in your community through an interactive and engaging workshop.

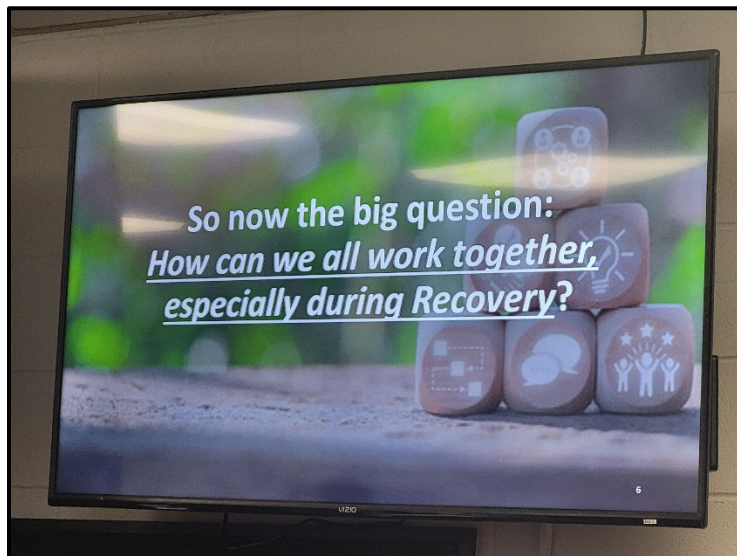

This free workshop will be tailored to your community's unique needs and will include a range of planning activities. Please see the informational flyer at this link for additional information: <https://tinyurl.com/y9ajhr4r>

MVRPC's PLAN4Health – Miami Valley Initiative was launched in the Spring of 2021 to explore how planning can impact health outcomes. The PLAN4Health - Miami Valley Initiative is a multi-year effort with a focus on projects and programs intended to:

- Promote and advocate for “Health in All Plans and Policies”
- Convene and engage partners to improve conditions that are known to be key determinants of health
- Advance planning efforts aimed at creating conditions for healthy people and communities

For additional information regarding PLAN4Health - Miami Valley Initiative or to learn more about hosting an active living workshop in your community, contact Martin Kim, MVRPC's Director of Community and Regional Planning, at [mkim@mvrpc.org](mailto:mkim@mvrpc.org).

## MVRPC attends Preble County EMA Recovery Steering Committee

In early April MVRPC staff participated in the Preble County EMA Recovery Steering Committee to support resiliency and long-term disaster preparedness planning. The county brought together members to develop a network that will support all areas of recovery for future natural disasters. To support this work, the county is using elements of the [Regional Resiliency Guidebook and Toolkit](#). To learn more about how this type of planning can benefit your community please contact Elizabeth Baxter, Resiliency Planning Manager at [ebaxter@mvrpc.org](mailto:ebaxter@mvrpc.org) or 937-531-6538.

The Ohio EMA also released its Post-Disaster Incident: Damage Assessment Toolkit designed to support Ohio jurisdictions with developing disaster assessment plans. It provides guidance for community stakeholders and partners in evaluating and documenting post disaster damage, consolidating the data into a standardized report, and ensuring the accurate submission of essential information to relevant partners. This free toolkit can be accessed through the [Ohio EMA Tabletop Exercise Toolkits](#) webpage.

## Meet Our Newest MVRPC Staff Member

### Bryce Gullett, Agency Operations Technician

We're excited to introduce MVRPC's newest staff member, Bryce Gullett. Bryce brings a unique background and skill set that will help further our mission of serving the Miami Valley Region.

Bryce is the newest member of the MVRPC team, having joined in April. Bryce will serve on the Agency Operations Team as the Agency Operations Technician. Bryce has a strong background in multimedia marketing, IT, and office operations. He brings a unique combination of technical expertise, problem-solving skills, and creative solutions to the Agency Operations Technician role. His Associate Degree in Computer Information Systems from Sinclair Community College has further equipped him with a strong foundation in IT, software applications, and troubleshooting, making him well-suited to assist with MVRPC's technology and meeting support needs. Additionally, Bryce is also an accomplished musician.

Please join us in welcoming Bryce!

## MiamiValleyGovJobs.org MVRPC

MiamiValleyGovJobs.org is a one-stop website for candidates seeking positions with a public agency in the Miami Valley. This service is provided for MVRPC member organizations and partners at no cost. Posting your positions on [MiamiValleyGovJobs.Org](https://miami-valley-gov-jobs.org) increases visibility of your positions and expands your candidate pool. Each job post will be displayed with your organization's logo and a link to your website where candidates can find more information.
